Dear George,

I am writing a few line to let you know I haven't forgotten you yet.

I am up at the ranch and I am sure having lots of fun (working hard) Ha, Ha,

Last night Pete and me went hunting on the truck and we kill 28 rabbits and we had to give 15 rabbits to the dogs, because we couldn't eat everyone.

You know that 12 gauge shotgun that you left up here, well I wear hunting with it, and boy does it shoot swell.

The other day I went hunting with it and I killed six doves in one shot.

George, if you come back again you got to come over to the ranch and go hunting with me. about two years ago you told me you was going to come up to the ranch and go hunting with me.

So if you come back you got to keep your promise and go hunting with me.

How is it up in Mexico?

Is there any pretty girl up there?

-over-

If so, let me know.

Cañas told me to say hello to you when I write to you.

The other day I went up to Lake Hudson and it is sure nice up there.

There were sure lots of cars going up at Lake Hudson this year.

July fourth there were more than hundred car up there.

So you can imagine where all the fish has gone to this year.

George, I got to go to school September 15 so if you write back write to San Diego please.

Well George, I haven't any else to write about, so I guess I better close up for now.

Well I hope you have a good time there.

Good-By

From your Friend
