**SOUVENIR FOLDER**

After the Pictorial Series depicting the Presidents of Mexico, several editions of which have appeared and are now out of print, this, the First Edition of the Pictorial Series of the Presidents of the United States, is by the author respectfully dedicated to the Hon. American Colony in Mexico.

"I consider it one of the modern "world wonders" that Señor Luis Dávila Madrid, a thorough foreigner, had the keen and understanding insight into the very spirit of our national affairs (together with the warm, neighborly friendliness) to depict our past Presidents with such humorous faithfulness to history. He has touched, in his caricatures, all our past chief executives, with exquisite humor; yet without injecting a single sting, or a touch of jarring ridicule. Our own cartoonists could not have done it with greater knowledge or kindness."

## HAVE YOU MADE A WILL?

---

If not, may we suggest that this obligation to your family is too vital to neglect? The first step is to consult your attorney.

In making your Will, it is just as prudent to have the guidance of a lawyer as in any other transaction where legal knowledge is required. The Trust Department of this Bank strongly recommends the use of competent legal counsel, retained by you and responsible to you.

You and your attorney are invited to discuss the appointment of Bank of America as Executor or Trustee under your Will.

## SAFE DEPOSIT

---

**VALUABLES**—important documents, mortgages, deeds, insurance policies, stock certificates, bonds, jewels and heirlooms, should be kept in Safe Deposit.

For a surprisingly small annual rental you can secure a Safe Deposit Box that will furnish complete protection against loss by fire or theft.

## TERMS AND CONDITIONS GOVERNING SAVINGS ACCOUNTS

---

In accepting this pass book, the depositor consents and agrees to the following terms and conditions:

The account represented by this pass book is to be carried as a "savings deposit." This pass book must be presented to the Bank whenever a withdrawal is made. The depositor may at any time be required by the Bank to give not less than thirty days notice in writing of an intended withdrawal.

Notice must be immediately given to the Bank of the loss or destruction of this pass book.

No transfer of the account or of this pass book shall be binding upon the Bank until the Bank has received notice thereof.

This pass book does not necessarily indicate the correct balance in this account. Deposits may have been made or items charged without entry herein.

All "savings deposits" which the depositor may have or make with this Bank, and the interest or the dividends payable thereon, shall be subject to existing and future Governmental regulations relating thereto, also to the by-laws of this Bank, all future amendments thereof, and all regulations passed or hereafter to be passed by its Board of Directors, or its General Executive Committee, pursuant to said by-laws relating thereto, including interest, service charges, etc.

## INTEREST OR DIVIDENDS
