Mrs. Carol L. Thompson, Editor

Dear Mrs. Thompson:

Professor Michael Florinsky has suggested to us - that we write you directly concerning our publication of his article, "Russian Industrial Growth and Co-Existence", which originally appeared in your journal.

For the reasons we have outlined to Professor Florinsky in the letter which he has referred to you, we are reluctant to acknowledge original source and, indeed, have never been obliged to do so.

Although we would deeply appreciate your waiving this requirement altogether; if necessary, we would be willing to give credit to Current History in a footnote.

In view of the excellence of Professor Florinsky's article, we hope that you will make it possible for us to present it to our Spanish reading public.

Sincerely yours,

Daniel Cosío Villegas
President
