Dear General Obregon:

As you have not returned your proofs to us or answered our letter, we are writing you again as we feel you do not realize how anxious we are to have some expression from you.

We made every effort to get some good negatives of you and naturally we are interested to know your opinion of the result.

Return the proofs to us marking any alteration you wish to suggest. We ill be glad to make these changes and submit a new set of proofs for you.

We stand ready to go to any trouble to meet your wishes, all we ask is for you to cooperate with us by returning your proofs telling us what you think of them.

Very truly yours,

General Alvero Obregon,

Washington, D. C.

Dear General Obregon :

CONTESTADA

You will perhaps remember that on November 27th we had the pleasure of making some negatives of you while you were in Washington. Up to the present time these proofs have never been returned to us.

We fear you do not realize how anxious we are to have some expression from you as to whether or not they were to your liking. We are very desirous of having your OK'd negative in our files, so won't you kindly return the proofs to us at once, marking them on the back 1-2-3 as they range in your estimation.

In looking over the proofs we know you will bear in mind that many changes can be made and that you will not hesitate to mention any alteration which you think would improve the proofs.

If you are interested in photographs for your personal use, we will be glad to extend you our special rates on any photographs you may desire.

With all good wishes, and anticipating the pleasure of hearing from you, we remain,

Very truly yours,

IBF/IF
