Genl. Alvaro Obregon,
Nogales, Sonora,

My Dear Sir:-

I desire to thank you for
 the personal interest taken in the exporta-
 tion of a piece of machinery from your
 Country last Saturday. I shall expect, in
 due course of time, a bill for the services
 rendered through the regular channels of your
 office. Furthermore, in reciprocation for
 this kindness, I desire to say that I will
 take a great pleasure at any time in doing
 any favor in my power for you.
