Dear Lic. Cosío Villegas:

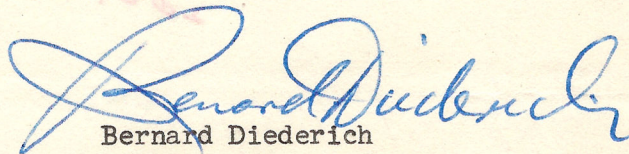

Life en Español would very much like you to write a story on the "Tapado".

They are particularly interested in the meaning of the Tapado in 1969. ✓  
✓ Is it possible for you to speculate on the President's choice, the factors which will influence this choice of a successor. ✓ Would you venture into naming persons who are likely candidates. ✓ Then if it is in your realm of thought, maybe you would like to say what kind of man Mexico needs at this point and why. ✓

Life en Español would like to have <sup>2</sup>1,500 word story within the next three weeks if you feel like writing this piece. They will pay \$150 Dollars for the piece.

I follow your column in Excelsior with much interest and I hope you can do this story for us. I remain,

Yours truly,
