Apartado 2123  
Mexico, D. F.

Dear Dr. Cosío:

I wonder if I could impose upon you to ask you to write a letter in support of a student who worked with you last year. Mr. Brian Murphy is applying for a Ford fellowship, and it would be very helpful if you could let me have a letter giving your estimation of him as a potential scholar.

We miss not seeing you here in Austin, and I hope it will be possible for you to return in the not-too-distant future. In the meanwhile, my wife joins me in sending your wife and you our very best regards.

Best wishes.

Sincerely yours,
