Mr. Earl Roberts
Comwlth Bldg.
San Diego, California
U. S. A.

Dear Mr. Roberts:

This is just a reminder and a request in behalf of Gen. P. Elias Calles for you to cancell (if you have not done so already) his automobile and household insurances, as they are of no value to him in Mexico.

I am writing this from the above ranch (Soledad de la Mota, prop. of Mr. P. B. Calles, Jr.) where the General and party arrived at 2 A. M., May 5th. by auto from San Antonio Texas. He expects to spend two or three weeks resting here before proceeding to Mexico City.

Our future address will be-

5a. Guadalajara 104
Mexico, D. F., Mexico

until further notice, and I will be glad to hear from you at this address at your earliest convenience.

Mr. Torreblanca wants me to tell you that he hopes you found a rich oil well in Abardeen, Texas, where you were headed for when he met you on the road. He also sends his best regards.

With kindest thoughts from the General and all of us for you and Co., I am

Very sincerely yours,

GEORGE CASTELLANOS
