Dear Señor Cosío Villegas:

It was an honor for the Western History Association to have presented your name on our program for the recent meeting in El Paso, Texas, and it was a pleasure for me personally to hear your paper, read very ably and with excellent expression by Frank Wardlaw, of the University of Texas Press. It was heard with greatest interest, of course, by the large crowd which attended the banquet. Everyone present regretted that you could not be there yourself.

We enclose Western History Association Check No. 596, in the amount of one hundred dollars (\$100), with salutations and appreciation for your contribution to our Conference.

Cordially yours,

John Porter Bloom
