Sir,

I read some of your writings in the field of social
Science (Programmed Economic Development and Political Organisation -
Mexico City December 1960).

I am assistant professor at the university of Aix-Marseille, and
presently working for my dissertation on the influence of political
and social structures on economic development in underdeveloped countries.

Hoping you can help me in sending me whatever documents, un-
edited papers or bibliography you hold in that respect; I thank
you very much.

Please forgive the trouble I'll give you.

Sincerely yours.

E. H. Roy

Dear Mr. Roy:

Your good letter of December 30, 1965, just reached me.

Of course I would like to help you in your studies, although your goal seems rather wide. It seems that CEPAL's and CEMNLA's publication will help you mostly.

Yours sincerely
