Muy Estimado Senor:

In view of the fact that I have a brother who has been working for the past eight years at the Ingenio de La Hacienda el Potrero in Vera Cruz, and am therefore very much interested in your country, it was most pleasing, when I picked up the newspaper the other evening and noticed that you were to spend a month in our fair islands.

It occurred to me that you might be making a tour of our island group in your study of our island agriculture and might hence be visiting some of the larger cattle ranches on this our island of Hawaii. Should this by any chance be the case I would feel highly honored to have you consider making your home with me during any time you might be over on this island.

I would suggest that you discuss this matter with Mr. Chauncey B. Wightman whom I had the pleasure of meeting and who visited with me during this summer.

Hoping that you can make the opportunity of seeing our ranch, also the unirrigated plantations of this island, I am,

Siempre a la orden de vd.,

Efectivamente, me encuentro ahora en

la oportunidad para visitar las plantaciones
de cana de azucar y de pina en compania del
senor Chauncey B. Wightman.

Mucho estimo y agradezco el ofrecimien-
to de Ud. para visitar esa Isla Hawaii y ser
su huesped en su propia casa. Aun no he de-
cidido si hago esta visita y, en caso de ha-
