Dear Mr. Castellanos:

The letter which you wrote May 9th, 1941 to Mr. Roberts concerning the insurance of General Callas was for some unknown reason filed and has just now come to my attention. I regret very much to report this irregularity and assure you that the cause has been removed.

In the matter of canceling insurance, it is necessary for us to have the policies and if you will immediately send them to us, I will clear the records as of May 9th and send to you the return premiums due.

We all join in our hope that you and all the family are happily situated and send our kindest respects.

Yours very truly,

HOTCHKISS & ANEWALT

Dear Mr. Porter:

According to your letter of last September 18th., I am enclosing herewith the automobile insurance policy of which I spoke to you in my letter to Mr. Roberts of May 9th 1941.

I was not more prompt in returning this policy to you because all these papers were packed in boxes and were in storage until the General found a house to live in. It was until today that I could get to them, but I have not yet found the servants insurance policy.

The General's new address will be:

Juan de Acuña 130
Lomas de Chapultepec
Mexico, D. F., Mexico

but the mail will always reach him or me either here in 5a. de Guadalajara 104 or in the new place.

Please give our kind regards to Mr. Hotchkiss, Mr. Anewalt and Mr. Roberts.

Yours very truly,

George Castellanos
