CARL REIMAN.- Milwaukee, Wis.- Es propietario de los "Kadiak Kennels" (criadores de la raza canina Airedale) y teniendo conocimiento que el Sr. Torreblanca se interesa en la adquisición de perros de esa raza, por haber comprado dos ejemplares finos al Sr. Chris Shuttleworth de California, se permite ofrecerle un ejemplar de pura sangre, Kadiak Rifle Grenade, de año y medio, en la cantidad de cien dólares. El valor de este perrito es de 200 dólares, pero como el Sr. Reiman desea tener como cliente al Sr. Torreblanca en sus futuras compras, se lo deja en \$100.- Adjunta una copia de la genealogía del animal a que se refiere.

MAY 23 1923

His Excellency The President of Mexico,  
 Mexico City,  
 Mexico.

Sir:

Permit us to take the liberty to address you regarding information that came our way to the effect that you have become interested in the fancy of the Airedale Terrier, and have made recent purchases from the kennels of Mr. Chris Shuttleworth of California.

If we may express our opinion we would like to say you showed very good judgement in selecting the Airedale as your hobby, and also in making your purchases from Mr. Shuttleworth. In both instances you have "started right".

Now, we take it for granted that you undoubtedly have further desires in making additions to your kennels. We also take it for granted that you are interested in nothing but the best. We have here a young dog, a year and a half old, registered as KADIAK RIFLE GRENADE. He is sired by our Kadiak Rosecroft Trader. He is the best we have ever had the good fortune to raise, and we have been keeping him with the intention of having him make his debut at the Fall shows. Unfortunately, circumstances have arisen which make it necessary for us to part with this dog. And, although we value him at a figure well over \$200 we are offering him for sale in kennel publications at \$150, in order to dispose of him quickly.

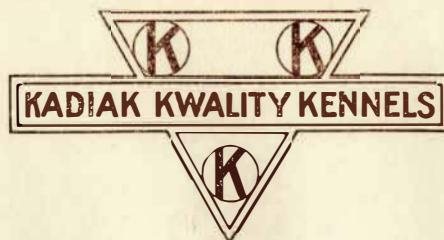

He is insured for \$150 with the American Mutual Live-stock Insurance Co. As can be seen on his enclosed pedigree, he is of choice breeding. As an individual he ranks very highly in the estimation of those who have seen him, for besides possessing all the qualities that go to make a successful show winner, he is a very handsome Airedale, of a dignified, aristocratic appearance. It might be added that although not aggressive, he is what is termed "game to the core". We, personally, think so much of him that we can guarantee him to be able to win in any show in America.

And you undoubtedly realize that good ones as this come high. But, as stated before, we would like to dispose of him within a short time, and for that reason offer him so extremely reasonable. We have no "selling platter" here, and it is only occasionally that we have stock for sale. We do not raise dogs on a large scale, but strive rather for quality. We tolerate only the very best in our kennels. And the fancy at large knows that when we do offer a dog for sale it is not at an inflated price. When we offer a dog at \$150 and say he is worth more than \$200, everyone knows he really is. Another thing we can call attention to is that when we sell a dog it concerns us not a little to WHOM he is sold.

And we would like to sell a dog to you. In fact, we would like very much to do so. And without wishing to offend you we would like to offer you KADIAK RIFLE GRENADE, and at a price a bit lower than that which we are advertising him at. We offer him to you for \$100, for the pleasure we would have in making the sale to you would more than make up for the difference in price. We would be very happy to send this dog to you, and you would be very happy to receive him, for he would make a most worthy inmate of your kennels.

Insurance, Registration, etc. papers go with the dog. He is now in good health, and could be made ready for his long journey as soon as we would hear from you. He is in show condition right now, and makes the best of himself regarding appearance.

For references as to our reliability we can give you the following: Airedale Terrier Club of America, Joseph Dain, Jr., Secy., Moline, Illinois. Second Ward Savings Bank, Milwaukee, Wis.

We hope to have the pleasure of receiving a reply from you in the near future.

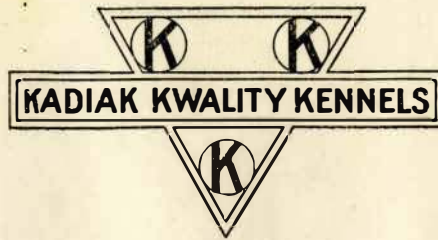

Most respectfully yours,

*Carl Reimann Jr.*

## AS A SHOW DOG

He has won at the Big Shows throughout the country, including New York, Newark, N. J., Kansas Chicago, Milwaukee, etc., and is well on his way to his Championship. He has defeated many of the present day Champions and near-Champions, which includes the best dogs from England and America.

Archibald A. Dalby, Esq., the prominent Eastern Judge, says: "In my mind he is fit to beat any Airedale in this country."

Trader needs no lengthy description. He is almost perfection in every detail. And he is a terrier from stem to stern, and quality through and through.

His general conformation can be summed up as expressed by Wm. L. Barclay in reviewing the 1922 Airedale Specialty Show at New York: "A good sized dog, built perfectly square, the same length as height. Good in front and shoulders, and he has along, clean head."

## AS A SIRE

In the show records of his progeny will be found the names of many good dogs beaten by them. His get are always in the ribbons wherever shown and in the hottest competition. Trader has never sired a litter in which there were not actual prize winners. He almost unfailingly gives them that terriers dash and that wonderful gameness for which he himself is famous. Everyone who has seen Trader in the ring knows what a showman he is, and he transmits this quality to his offspring.
