Your Excellency:

Greetings from the Pan-Pacific Union, of which you were formerly
an honorary president.

We are wondering if Señora Fernando Torreblanco is the former
Miss Calles who visited Hawaii some eight or ten years ago and
was entertained one evening at one of our group meetings where
she gave a very charming talk on Mexican women. If so, I hope
soon to call at the Hotel and renew acquaintance.

In the meantime we are sending a copy of the China issue of the
Mid-Pacific Magazine, the official periodical of the Pan-Pacific
Union. We are planning soon to have a special featuring Mexico
and would be most delighted to have a story from you on ranching
in Mexico. We have already received some photographs for this
special number from Secretaria de Gobernacion, Dirección General
de Poblacion.

May we have the pleasure of having you and Señor and Señora
Torreblanco attend our weekly luncheon, Monday, August 19, at
Fuller Hall in the Y.W.C.A. building on Richards Streets. We
have a speaker on some Pacific lands or peoples every week and
the meeting is attended by men and women of the different
nationalities resident in Hawaii. Our president is Judge Walter F.
Frear, former Governor of Hawaii.

Awaiting your reply, I am,

Sincerely yours,

PAN-PACIFIC UNION

Secretary, PAN-PACIFIC UNION.

Dear Sir:-

I duly received your letter of this date and, in answer, I beg to state that Mrs. Torreblanca (my daughter Hortensia) is not the former Miss Calles who visited Hawaii in 1928. That Miss Calles is now Mrs. Almada (my daughter Alicia) who was here in that time in her Honey-moon trip.

We all thank you and the other members of the Pan-Pacific Union for your kindness and feel very sorry that we can not accept same because we are leaving this City to make a visit to the other islands.

Thanking you again, I am yours
Very truly,

Your Excellency:

Mr. Frank Bechtold brings to you, your daughter and her husband
an invitation to attend the weekly science dinner and discussion
to be held at our Pan-Pacific Research Institution in Manoa Valley
Friday evening at 6 o'clock, August 30. This is the same
building in which we entertained your other daughter, Mrs. Almada,
in 1928. On page 167 of the China Mid-Pacific Magazine sent you
there appears a photograph of this building, and on page 175
a list of some of the recent scientific discussions held there.

We are also looking forward to having a story from you on
ranching in Mexico for our special Mexican number in the
near future.

Very sincerely,

Dear Mr. Satterthwaite:

I wish to thank you for your letter of August 28th, extending an invitation to my daughter, her husband and myself to attend the weekly science dinner and discussion to be held at the Pan-Pacific Research Institution in Manoa Valley Friday evening at six o'clock, August 30th.

It is with regret I must inform you that it was impossible to attend, as I was ill and unable to leave the hotel. However, I shall be very pleased to attend one of the future meetings if the length of my visit here is such that it will permit this.

In reference to the article you desire, on ranching in Mexico, I shall forward this story on to you upon my return home.

Again thanking you for your kind invitation,
I am

Yours very sincerely,
