The Assured named herein, for the term herein specified, to an amount not exceeding the actual cash value of the property at the time any loss or damage occurs, nor, in any event, the limits of liability, if any, herein specified, against direct loss or damage from the perils specifically insured against herein to the automobile herein described and the equipment usually attached thereto, only while within the limits of the United States (exclusive of Alaska, the Hawaiian, Philippine and Virgin Islands and Porto Rico) and Canada, including while on coastwise steamer between ports within said limits.

DEFINITION OF PERILS

- A FIRE, LIGHTNING AND TRANSPORTATION**—(a) Fire, arising from any cause whatsoever; and Lightning; (b) The Stranding, Sinking, Burning, Collision or Derailment of any conveyance in or upon which the automobile is being transported on land or water, including general average and salvage charges for which the Named Assured is legally liable.
- B THEFT, ROBBERY AND PILFERAGE**—Theft, Robbery and Pilferage, excepting by any person or persons in the Assured's household or in the Assured's service or employment, whether the theft, robbery or pilferage occurs during the hours of such service or employment or not, and excepting by any person, or agent thereof, or by the agent of any firm or corporation to which person, firm or corporation the Assured, or any one acting under express or implied authority of the Assured, voluntarily parts with title and/or possession, whether or not induced so to do by any fraudulent scheme, trick, device or false pretense; and excepting in any case, other than the theft of the entire automobile described herein, the theft, robbery or pilferage of tools or repair equipment.
- This policy does not insure against the wrongful conversion, embezzlement or secretion by a mortgagor, vendee, lessee or other person in lawful possession of the insured property under a mortgage, conditional sale, lease or other contract or agreement, whether written or verbal.
- C TORNADO, HAIL, EARTHQUAKE, EXPLOSION AND WATER DAMAGE**—Direct loss or damage caused by Tornado, Cyclone, Windstorm, Hail, Earthquake, Explosion, Accidental and external discharge or leakage of water—excluding damage caused by rain, sleet, snow, flood, rupture of tires and explosions within the combustion chamber of an internal combustion engine.
- D COLLISION OR UPSET**—Accidental Collision or Upset where the damage to the automobile and/or equipment herein described from such collision or upset is in excess of the deduction specified in Item 4 of Schedule of Coverages; each accident being deemed a separate claim and the amount of determined loss or damage shall be subject to such deduction; but this insurance shall not cover loss or damage caused directly or indirectly by fire nor loss or damage to any tire unless caused in an accidental collision or upset which also causes other loss or damage to the insured automobile.
- E CONVERTIBLE COLLISION**—If this policy is issued subject to the CONVERTIBLE COLLISION COVERAGE (50% Retention) the Assured shall pay to the Company immediately upon the occurrence of the first accident which is to be made the basis of a claim hereunder a further amount equal to that indicated in Item 4 of Schedule of Coverages, Perils Insured Against (except that if more than one automobile is insured hereunder the additional payment shall be that applicable to the car involved as set forth in the schedule of automobiles insured). It is further understood and agreed that loss or damage occurring prior to the reported claim shall in no event be considered the basis of a valid claim.
- F PROPERTY DAMAGE**—Property Damage insures the Assured's legal liability to other persons for the injury to, or destruction of the property of such persons (including resultant loss of use of such property), and in addition thereto the legal expenses incurred by the Assured with the consent of this Company in connection with such injury or destruction, resulting solely and directly from the ownership, maintenance or use of the automobile herein described, including loading and unloading, provided such injury or destruction occurs during the term of this Policy.
- This Company shall not be liable for loss or damage (a) to property of the Assured, or in charge of the Assured or any of his employees, or carried in or upon the automobile described herein; or (b) while the automobile described herein is being operated by any person under the age limit fixed by law, or, in any event, under the age of fourteen years.
- This Company's liability under the Property Damage coverage for injury to or destruction of property of others shall not exceed the actual cash value of the property destroyed at the time of its destruction and/or the actual cost of suitable repair of the property injured, but in no case shall this Company be liable with respect to claims (including claims for loss of use) arising from one accident for more than the amount specified in Item 5 of Schedule of Coverages and in addition thereto the legal expenses incurred by the Assured with the consent of this Company.
- If action be brought against the Assured to enforce a claim for damage covered hereunder the Assured shall immediately notify this Company and promptly forward to it every summons or other paper or process served on or received by him in connection therewith, but the Assured, without the written consent of this Company previously given, shall not voluntarily assume any liability, or interfere in any negotiation for settlement or in any legal proceeding, or incur any expense, or settle any claim, except at his own cost.
- The Insurance provided under this section is so extended as to be available, in the same manner and under the same conditions as it is available to the Named Assured, to any person or persons while riding in or lawfully operating the automobile described herein, and to any person, firm or corporation legally responsible for the operation thereof, provided such use or operation is with the permission of the Named Assured, or, if the Named Assured is an individual, with the permission of an adult member of the Named Assured's household other than a chauffeur or a domestic servant, and provided further, that the indemnity extended to persons other than the Named Assured shall not apply if the automobile described herein is used as a Public Automobile or is owned or operated by an Automobile Manufacturer, Dealer, Sales Agency, Garage, Repair Shop, Service Station, or agents or employees thereof.
- Bankruptcy or insolvency of the Assured shall not relieve the company of any of its obligations hereunder. If any person or his legal representatives shall obtain final judgment against the Assured because of any such injuries, and execution thereon is returned unsatisfied by reason of bankruptcy, insolvency or any other cause, or if such judgment is not satisfied within thirty days after it is rendered, then such person or his legal representatives may proceed against the company to recover the amount of such judgment, either at law or in equity, but not exceeding the limit of this policy applicable thereto.

GENERAL CONDITIONS

- AUTOMOBILE DEFINED—TWO OR MORE AUTOMOBILES**—Wherever in this policy the word automobile is used, it shall be held to mean any type of motor vehicle or trailer as described herein; and when two or more automobiles are insured hereunder, the conditions of this policy apply separately to each.
- UNLESS OTHERWISE PROVIDED BY AGREEMENT IN WRITING ADDED HERETO, THIS COMPANY SHALL NOT BE LIABLE FOR LOSS OR DAMAGE**
- PROPERTY EXCLUDED**—(a) To robes, wearing apparel, personal effects, or extra bodies (except that this exclusion does not apply to Property Damage coverage); or WAR, RIOT, ETC.—(b) Caused directly or indirectly by invasion, insurrection, riot, civil war or commotion, military, naval or usurped power, or by order of any civil authority; or
- LIMITATION OF USE**—(c) While the automobile described herein is used as a public or livery conveyance for carrying passengers for compensation; or while rented under contract or lease; or operated in any race or speed contest; or while used in any illicit or prohibited trade or transportation; or
- AGE LIMIT OF DRIVER**—(d) In connection with the perils of Collision or Upset and Property Damage only, while the automobile described herein is being operated by any person under the age limit fixed by law, or, in any event, under the age of fourteen years.
- LIMITATION OF LIABILITY AND METHOD OF DETERMINING SAME**—This Company's liability for loss or damage to the automobile described herein shall not exceed the actual cash value thereof at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated accordingly, with proper deduction for depreciation however caused, and without compensation for loss of use, and shall in no event exceed the limit of liability, if any, stated in the Schedule of Coverages, nor what it would then cost to repair or replace the automobile or parts thereof with other of like kind and quality; such ascertainment or estimate shall be made by the Assured and this Company, or if they differ, then by appraisal as hereinafter provided.
- In the event of loss or damage to the automobile described herein, whether such loss or damage is covered by this policy or not, the liability of this Company shall be reduced by the amount of such loss or damage until repairs have been completed, but then then attach as originally written without additional premium.
- OTHER INSURANCE**—No recovery shall be had under this policy if at the time a loss occurs there be any other insurance, whether such other insurance be valid and/or collectible or not, covering such loss, which would attach if this insurance had not been effected.
- CANCELLATION**—This policy shall be cancelled at any time at the request of the Assured, in which case this Company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rate premium for the expired term. This policy may be cancelled at any time by this Company by giving to the Assured five (5) days' written notice of cancellation with or without tender of the excess of paid premium above the pro-rata premium for the expired term, which excess, if not tendered, shall be retained on demand. Notice of cancellation shall state that said excess premium, if not tendered, will be rounded on demand. Notice of cancellation mailed to the address of the Assured stated in this policy shall be a sufficient notice. Where a special provision for cancellation and notice of such cancellation is required by statutory enactment in the State where this policy is issued, the conditions of this Cancellation Clause are amended to conform thereto.
- LOSS FOR WHICH CARRIER AND/OR BAILEE FOR HIRE IS LIABLE**—This Company shall not be liable for loss or damage to the automobile described herein while in the possession of a carrier and/or bailee for hire under a contract, stipulation or assignment whereby the benefit of this insurance is sought to be made available to such carrier and/or bailee. Where loss or damage occurs for which a carrier and/or bailee may be liable and which would otherwise be covered hereunder, this Company will advance to the Assured by way of loan the money equivalent of such loss or damage, which loan shall in no circumstances affect the question of this Company's liability hereunder and shall be repaid to the extent of the net amount collected by or for account of the Assured from the carrier and/or bailee after deducting cost and expense of collection.
- MISREPRESENTATION AND FRAUD**—This entire policy shall be void if the Assured has concealed or misrepresented any material fact or circumstance concerning this insurance or the subject thereof; or in case of any fraud, attempted fraud, or false swearing by the Assured touching any matter relating to this insurance or the subject thereof, whether before or after a loss.
- NOON**—The word "noon" herein means noon of standard time at place policy is issued.
- LIEN OR ENCUMBRANCE**—Unless otherwise provided by agreement in writing added hereto, and except as to any lien, mortgage, or other encumbrance specifically set forth and described in Item 3 of Warranties in this policy, this Company shall not be liable for loss or damage to any property insured hereunder while subject to any lien, mortgage or other encumbrance.
- TITLE AND OWNERSHIP**—Except as to any lien, mortgage, or other encumbrance specifically set forth and described in Item 3 of Warranties in this policy, this entire policy shall be void, unless otherwise provided by agreement in writing added hereto, if the interest of the Assured in the subject of this insurance be or become other than unconditional and sole lawful ownership, or if the subject of this insurance has ever been stolen or unlawfully taken prior to the issuance of this policy and not returned to the lawful owner prior to the issuance of this policy, or in case of transfer or termination of the interest of the Assured other than by death of the Assured, or in case of any change in the nature of the insurable interest of the Assured in the property described herein either by sale or otherwise, or if this policy or any part thereof shall be assigned before loss.
- PROTECTION OF SALVAGE**—In the event of any loss or damage, whether insured against hereunder or not, the Assured shall protect the property from other or further loss or damage, and any such other or further loss or damage due directly or indirectly to the Assured's failure to protect shall not be recoverable under this policy. Any such act of the Assured or this Company or its agents in recovering, saving and preserving the property described herein, shall be considered as done for the benefit of all concerned and without prejudice to the rights of either party and where the loss or damage suffered constitutes a claim under this policy, then all reasonable expenses then incurred shall constitute a claim under policy provided, however, that this Company shall not be responsible for the payment of a reward offered for recovery of the insured property unless authorized by this Company.
- NOTICE OF LOSS**—In the event of loss or damage covered hereby the Assured shall give immediate notice thereof in writing to this Company, provided, however, that where such a limitation for the giving of notice of loss is prohibited by the laws of the State wherein this policy is issued, then in that event such notice shall be given by the Assured within the shortest period permitted and in the manner required under the laws of such State.
- In the event of Theft, Robbery or Pilferage the Assured shall also give immediate notice thereof to the Police.
- ASSISTANCE AND CO-OPERATION OF THE ASSURED**—In the event of loss or damage and whenever requested by this Company the Assured shall assist in the recovery of property insured hereunder either by means of replevin proceedings or otherwise, in effecting settlement, securing evidence, obtaining the attendance of witnesses and prosecuting suits to such an extent and in such manner as is deemed desirable by this Company, and this Company shall reimburse the Assured for any expense incurred upon the request.
- PROOF OF LOSS**—Within sixty (60) days after loss or damage, unless such time is extended in writing by this Company, the Assured shall render a statement to this Company, signed and sworn to by the Assured, stating the place, time and cause of the loss or damage, the interest of the Assured and of all others in the property, the sound value thereof and the amount of loss or damage thereto, all encumbrances thereon, and all other insurance, whether valid and/or collectible or not, covering said property; and the Assured, as often as required, shall exhibit to any person designated by this Company all that remains of the property insured and submit to examinations under oath by any person named by this Company, and subscribe the same; and as often as required, shall produce for examination all books of account, bills, invoices, and other vouchers, or certified copies thereof if originals be lost, at such reasonable place as may be designated by this Company or its representative, and shall permit extracts and copies thereof to be made.
- APPRAISAL**—In case the Assured and this Company shall fail to agree as to the amount of loss or damage, each shall, on the written demand of either, select a competent and disinterested appraiser. The appraisers shall first select a competent and disinterested umpire; and failing for fifteen (15) days to agree upon such umpire, then, on request of the Assured or this Company, such umpire shall be selected by a judge of a court of record in the County and State in which the appraisal is pending. The appraisers shall then appraise the loss and damage, stating separately sound value and loss or damage; and failing to agree, shall submit their differences only, to the umpire. An award in writing of any two, when filed with this Company, shall determine the amount of sound value and loss or damage. Each appraiser shall be paid by the party selecting him and the expenses of appraisal and umpire shall be paid by the parties equally.
- Where a special provision for appraisal is required by statutory enactment in the State where this policy is issued, the conditions of this Appraisal Clause are amended to conform thereto.
- ABANDONMENT—RETURN OF STOLEN PROPERTY**—It shall be optional with this Company to take all or any part of the property at the agreed or approved value, but there can be no abandonment thereof to this Company; and where theft is insured against, this Company shall have the right to return a stolen automobile or its equipment with compensation for physical damage, at any time before actual payment hereunder.

IN CONSIDERATION of the premium and the Warranties hereinbefore mentioned, the Company does hereby AGREE with the Named Assured, subject to the agreements and exclusions set forth herein and to the conditions of this policy which are made a part hereof.

INSURING AGREEMENTS

PUBLIC LIABILITY: TO PAY, provided specific premium charge is made in part two, page one of the policy, any loss and/or expense by reason of the liability imposed by law upon the Assured for damages on account of bodily injuries and/or death resulting therefrom accidentally suffered, or alleged to have been suffered, by any person or persons, by reason of the ownership, maintenance and/or use of any of the automobiles described in said Warranties (including carrying of goods thereon and the loading and unloading thereof).

The Company's liability for loss, as defined above, on account of an accident resulting in bodily injuries and/or death resulting therefrom to one person is limited to the amount specified in the first line of part two, page one of the policy, and, subject to the same limit for each person the Company's total liability for loss on account of any one accident or series of accidents arising from one and the same cause resulting in bodily injuries and/or death resulting therefrom to more than one person is limited to the amount specified in the second line of part two, page one of the policy.

IN ADDITION TO THE ABOVE THE COMPANY AGREES:

- EXPENSES AND COSTS: TO PAY** the expense of litigation and all costs taxed against the Assured in any legal proceeding defended by the Company, and all interest accruing after entry of any judgment until the Company has paid, tendered or deposited in Court such part of such judgment as does not exceed the limit of the Company's liability as expressed in this policy.
- SERVICE: TO INVESTIGATE** at its own cost any accident (to which this policy applies) reported to the Company, and to settle any claim as the Company may deem advisable; and if suit is brought against the Assured on account of such an accident, to defend such suit even if groundless, false or fraudulent, in the name and on behalf of the Assured unless or until the Company shall elect to effect settlement thereof.
- SURGICAL RELIEF: TO REIMBURSE** the Assured for such immediate surgical relief as shall be imperative at the time of an accident to which this policy applies.
- ADDITIONAL ASSURED: THAT** the terms and conditions of this policy are so extended as to be available, in the same manner and under the same conditions as they are available to the Named Assured, to any person or persons while riding in or legally operating any of the automobiles described in the Warranties, and to any person, firm or corporation legally responsible for the operation thereof, provided such use or operation is with the permission of the Named Assured, or, if the Named Assured is an individual, with the permission of an adult member of the Named Assured's household other than a chauffeur or a domestic servant, except that the terms and conditions of this policy shall not be available to a public automobile garage, automobile repair shop, automobile sales agency, automobile service station and the agents or employees thereof.

All terms and conditions of this Policy not in conflict herewith remain unchanged.

EXCLUSIONS

- The Company shall not be liable under this policy for

 - Accidents occurring while any of the insured automobiles are being used for any purpose other than that specified in Item 4 of the Warranties.
 - Claims on account of accidents occurring while any of the insured automobiles are being operated in any race or speed contest or by any person in violation of law as to age in any event under the age of fourteen years.
 - Accidents occurring to any employee of the Assured (except domestic servants, not chauffeurs) while engaged in any business or occupation of the Assured or in the operation, maintenance or repair of any of the insured automobiles.
 - Any liability assumed by or imposed upon the Assured to pay Workmen's Compensation.
 - Liability of others assumed by the Assured under any contract or agreement, oral or written.
 - Accidents occurring while any of the insured automobiles are being maintained or used beyond the limits of the United States of America or the Dominion of Canada.

THE FOREGOING AGREEMENTS ARE SUBJECT TO THE FOLLOWING CONDITIONS:

ASSURED AND NAMED ASSURED—The unqualified term "Assured" wherever used in this policy shall include in each instance the Named Assured and any other person, firm or corporation coming within the provisions and conditions of Agreement 4, but the qualified term "Named Assured" shall apply only to the Assured named and described as such in the Warranties.

OTHER INSURANCE—If the Named Assured carries a policy of another insurer against any loss and/or expense covered by this policy, the Named Assured shall not recover from the Company a larger proportion of the entire loss and/or expense than the amount hereby insured bears to the total amount of valid and collectible insurance applicable thereto, and if any person, firm or corporation other than the Named Assured has valid and collectible insurance against any claim or loss described in the insuring agreements then no such person, firm or corporation shall be deemed to be an Assured hereunder.

BANKRUPTCY OR INSOLVENCY—Bankruptcy or insolvency of the Named Assured shall not relieve the Company of any of its obligations hereunder. If any person or his legal representatives shall obtain final judgment against the Named Assured because of any such injuries, and execution thereon is returned unsatisfied by reason of bankruptcy, insolvency or any other cause, or if such judgment is not satisfied within thirty days after it is rendered, then such person or his legal representatives may proceed against the Company to recover the amount of such judgment, either at law or in equity, but not exceeding the limit of this policy applicable thereto.

REPORTING ACCIDENTS, LOSSES, CLAIMS AND SUITS. CO-OPERATION OF ASSURED—Upon the occurrence of an accident covered by this policy the Assured shall give immediate written notice thereof with the fullest information obtainable at the time, to the Company or its duly authorized representative. If a claim for damages is made upon the Assured on account of such accident, the Assured shall give like notice thereof with full particulars. The Assured shall at all times render to the Company all co-operation and assistance in his power.

Notice given by or on behalf of the Assured to any authorized Agent of the Company with particulars sufficient to identify the Assured shall be deemed to be notice to the Company. Failure to give any notice required to be given by the policy within the time specified therein shall not invalidate any claim made by the Assured if it shall be shown not to have been reasonably possible to give such notice within the prescribed time and that notice was given as soon as was reasonably possible.

If suit is brought against the Assured to enforce a claim for damages covered by this policy, the Assured shall immediately forward to the Company every summons or other process as soon as the same shall have been served on the Assured.

The Assured, whenever requested by the Company, shall aid in effecting settlements, securing information and evidence, the attendance of witnesses and in prosecuting appeals, but the Assured shall not voluntarily assume any liability or interfere in any negotiation for settlement, or in any legal proceeding, or incur any expense, or settle any claim, except at the Assured's own cost, without the written consent of the Company previously given, except that, as respects liability for personal injuries covered hereunder, the Assured may provide at the Company's expense such immediate surgical relief as is imperative at the time of the accident.

SUBROGATION OF RIGHTS—In case of payment of loss and/or expense under this policy, the Company shall be subrogated to the amount of such payment, to the Assured's rights of recovery against others for such loss and/or expense, and the Assured shall execute all papers required and shall co-operate with the Company to secure such suits.

ASSURED'S RIGHT OF RECOVERY—No action shall lie against the Company for the recovery of any loss or damage under this policy, unless brought after the amount of such loss or damage shall have been fixed and rendered certain by final judgment against the Named Assured after trial of the issue, or by agreement between the parties with the written consent of the Company, nor in any event unless brought within two years after such final judgment or agreement.

CANCELLATION—This policy may be cancelled at any time by either of the parties hereto upon written notice to the other party stating when thereafter cancellation shall be effective; the date of cancellation shall then be the end of the policy period, and if cancelled by the Company the earned premium shall be computed and adjusted upon a pro rata basis. If, however, such cancellation is at the request of the Assured, the earned premium shall be calculated at short rates in accordance with the table printed herein. Notice of cancellation mailed to the address of the Assured stated in the Warranties herein shall be a sufficient notice, and the check of the Company shall be made and sent to the Assured.

CHANGE OF INTEREST—In the event an automobile to which this policy applies is sold, transferred or assigned, the insurance provided herein shall not extend to such purchaser, transferee, or assignee except by endorsement attached hereon, signed by its President, Vice-President, Secretary or Treasurer. In the event of the death of any of the Named Assured, if an individual, during the policy period, this policy shall continue in force for the benefit of the legal representatives of such Assured for sixty (60) days from noon of the date of such death, but in no event shall this extension continue this insurance beyond the termination date provided in the policy.

BASIS OF PREMIUM—The premium is based upon the number and character of the automobiles and the uses to which same are to be put as described in the Warranties herein.

INSPECTION—The Company shall be permitted at all reasonable times to inspect any automobile covered by this policy.

ALTERATIONS IN POLICY—No condition or provision of this policy shall be waived or altered except by written endorsement attached hereto and signed by the President, a Vice-President, Secretary or Treasurer of this Company; nor shall notice to any agent, nor shall knowledge possessed by any agent or by any other person, be held to effect a waiver or change in any part of this contract; upon the acceptance of this policy the Assured agrees that its terms embody all agreements then existing between the Assured and the Company or any of its agents relating to the insurance described herein.

AUTHORIZED REPRESENTATIVES—No person shall be deemed a representative of the Company unless such person is authorized in writing as such representative by the President, a Vice-President, Secretary or Treasurer of the Company.

CONFLICTING STATUTORY PROVISIONS—If any condition of this policy relating to the limitation of time for notice of accident or for any legal proceeding is at variance with any specific statutory provision in the State in which the accident occurs, such specific statutory provision shall be substituted for such condition.

This Policy is attached to and issued concurrently with a Policy bearing the same number issued by the Milwaukee Mechanics' Insurance Company, Milwaukee, Wisconsin, to cover other risks on the same subject of insurance. The declarations and warranties of the Named Assured which are in part the consideration of that Policy are hereby referred to and made a part of this Policy, and any notice or proof of loss required by the terms of this Policy and served upon the Milwaukee Mechanics' Insurance Company, Milwaukee, Wisconsin, shall be sufficient service upon the Company.

IN WITNESS WHEREOF, the Commercial Casualty Insurance Company, Newark, New Jersey, has caused these presents to be signed by its President and Secretary, but the same shall not be binding unless countersigned by an authorized representative of the Company.

CALIFORNIA FINANCIAL RESPONSIBILITY ACT ENDORSEMENT (Property Damage and/or Public Liability Coverage)

The Policy to which this endorsement is attached is amended to conform with the requirements of Chapter 259, Laws of 1929 of the State of California, and all laws amendatory thereof or supplementary thereto which may be or become effective while this Policy is in force, as respects any liability for bodily injury or death or liability for property damage covered by this Policy, but only to the extent of the coverage and the limits of liability required by said Chapter and only with respect to the motor vehicles disclosed in the Policy.

It is further agreed that the extent of the coverage required by said Chapter and within the limits stated in said Chapter, this Policy is subject to the following additional provisions:

- (a) The liability of the Company under this Policy shall become absolute whenever loss or damage covered by the Policy occurs, and the satisfaction by the Assured of a final judgment for such loss or damage shall not be a condition precedent to the right or duty of the Company to make payment on account of such loss or damage. Upon the recovery of a final judgment against the Assured for any such loss or damage the judgment creditor shall be entitled to have the insurance provided by this endorsement applied to the satisfaction of the judgment.
- (b) This Policy shall not be cancelled or annulled as respects any loss or damage by any agreement between the Company and the Assured after the Assured has become responsible for such loss or damage, and any such cancellation or annulment shall be void.
- (c) It is further provided that the Assured or any other person covered by the Policy shall reimburse the Company for payments made on account of any accident, claim or suit involving a breach of the terms, provisions or conditions of the Policy, which payments the Company would not have been obligated to make under the provisions of the Policy independently of this endorsement or of the provisions of said Chapter.
- (d) In the event the Company provides a certificate under this Policy as required by said Chapter for filing with the Chief of the Division of Motor Vehicles, State of California, no cancellation or expiration of coverage under this endorsement shall become effective subsequent to the date of filing of the certificate until after the expiration of ten days' written notice to the said Chief.

The provisions of this endorsement shall apply only to accidents occurring during the term of the Policy as stated in the Policy unless a later effective date is specified in this endorsement, in which event the provisions hereof shall apply only from the effective date stated in this endorsement to the expiration date stated in the Policy.

Nothing herein contained shall waive, vary, alter or extend any provision or condition of the Policy except as herein provided. In all other respects the terms, agreements and warranties of the Policy remain unchanged.

Maintenance Suggestions

Buick Dealers in providing this Owner Policy acknowledge responsibility to Buick Owners for their continued satisfaction.

Owners in turn may further increase this satisfaction by accepting the following recommendations:

1. Have all service contacts with Authorized Buick Service Stations to insure experienced, conscientious service and the use of Genuine Buick parts when needed.
2. Have safety inspection made at regular intervals. (Brakes, lights, steering, horn and windshield wiper.)
3. Follow recommendations for lubrication. See Owner Manual and Lubrication Chart.
4. Keep tires properly inflated. See Owner Manual.
5. Check fluid level in battery at least every week in Summer and every two weeks in Winter.
6. Keep radiator filled at all times. Provide proper anti-freeze solution during Winter months.
7. Follow factory recommendations for operating speeds when the car is new.

However generous an Owner Service Policy may be, its ultimate value depends upon the dealer organization behind it. This policy is backed up by a nation-wide Buick service organization. They are fully prepared to service your car and assure your satisfaction. Wherever you are, just look in the classified pages of the telephone directory under Buick for the nearest dealer.

The owner should carry this card with him at all times.

3. PARTS AND LABOR—For 90 days after delivery, provided the car has not been driven to exceed 4,000 miles, any parts (including all original equipment except tires) which have proved defective in either material or workmanship, will be replaced or repaired by any Buick dealer in the United States or Canada without charge to the owner for the material or labor.

4. 1000 AND 2000 MILE ADJUSTMENTS—The attached coupons entitle the owner to the inspections and adjustments as listed on back of said coupons. These services are to be given free only by the Dealer from whom the car was purchased, except as provided otherwise in paragraph 6.

DEFINITION OF PERILS

FIRE, LIGHTNING AND TRANSPORTATION—(a) Fire, arising from any cause whatsoever; and Lightning; (b) The Stranding, Sinking, Burning, Collision or Derailment of any conveyance in or upon which the automobile is being transported on land or water, including general average and salvage charges for which the Named Assured is legally liable.

This policy does not insure against the wrongful conversion, embezzlement or secretion by a mortgagor, vendee, lessee or other person in lawful possession of the insured property under a mortgage, conditional sale, lease or other contract or agreement, whether written or verbal.

TORNADO, HAIL, EARTHQUAKE, EXPLOSION AND WATER DAMAGE—Direct loss or damage caused by Tornado, Cyclone, Windstorm, Hail, Earthquake, Explosion, Accidental and external discharge or leakage of water—excluding damage caused by rain, sleet, snow, flood, rupture of tires and explosions within the combustion chamber of an internal combustion engine.

COLLISION OR UPSET—Accidental Collision or Upset where the damage to the automobile and/or equipment herein described from such collision or upset is in excess of the deduction specified in Item 4 of Schedule of Coverages; each accident being deemed a separate claim and the amount of determined loss or damage shall be subject to such deduction; but this insurance shall not cover loss or damage caused directly or indirectly by fire nor loss or damage to any tire unless caused in an accidental collision or upset which also causes other loss or damage to the insured automobile.

CONVERTIBLE COLLISION—If this policy is issued subject to the CONVERTIBLE COLLISION COVERAGE (50% Retention) the Assured shall pay to the Company immediately upon the occurrence of the first accident which is to be made the basis of a claim hereunder a further amount equal to that indicated in Item 4 of Schedule of Coverages. Perils Insured Against, except that if more than one automobile is insured hereunder the additional payment shall be that applicable to the car involved as set forth in the schedule of automobiles insured. It is further understood and agreed that loss or damage occurring prior to the reported claim shall in no event be considered the basis of a valid claim.

PROPERTY DAMAGE—Property Damage insures the Assured's legal liability to other persons for the injury to, or destruction of the property of such persons (including resultant loss of use of such property), and in addition thereto the legal expenses incurred by the Assured with the consent of this Company in connection with such injury or destruction, resulting solely and directly from the ownership, maintenance or use of the automobile herein described, including loading and unloading, provided such injury or destruction occurs during the term of this policy.

This Company shall not be liable for loss or damage (a) to property of the Assured, or in charge of the Assured or any of his employees, or carried in or upon the automobile described herein; or (b) while the automobile described herein is being operated by any person under the age limit fixed by law, or, in any event, under the age of fourteen years.

This Company's liability under the Property Damage coverage for injury to or destruction of property of others shall not exceed the actual cash value of the property destroyed at the time of its destruction and/or the actual cost of suitable repair of the property injured, but in no case shall this Company be liable with respect to claims (including claims for loss of use) arising from one accident for more than the amount specified in Item 5 of Schedule of Coverages and in addition thereto the legal expenses incurred by the Assured with the consent of this Company.

If action be brought against the Assured to enforce a claim for damage covered hereunder the Assured shall immediately notify this Company and promptly forward to it every summons or other paper or process served on or received by him in connection therewith, but the Assured, without the written consent of this Company previously given, shall not voluntarily assume any liability, or interfere in any negotiation for settlement or in any legal proceeding, or incur any expense, or settle any claim, except at his own cost.

The Insurance provided under this section is so extended as to be available, in the same manner and under the same conditions as it is available to the Named Assured, to any person or persons while riding in or lawfully operating the automobile described herein, and to any person, firm or corporation legally responsible for the operation thereof, provided such use or operation is with the permission of the Named Assured, or, if the Named Assured is an individual, with the permission of an adult member of the Named Assured's household other than a chauffeur or a domestic servant, and provided further, that the indemnity extended to persons other than the Named Assured shall not apply if the automobile described herein is used as a Public Automobile or is owned or operated by an Automobile Manufacturer, Dealer, Sales Agency, Garage, Repair Shop, Service Station, or agents or employees thereof.

Bankruptcy or insolvency of the Assured shall not relieve the company of any of its obligations hereunder. If any person or his legal representatives shall obtain final judgment against the Assured because of any such injuries, and execution thereon is returned unsatisfied by reason of bankruptcy, insolvency or any other cause, or if such judgment is not satisfied within thirty days after it is rendered, then such person or his legal representatives may proceed against the company to recover the amount of such judgment, either at law or in equity, but not exceeding the limit of this policy applicable thereto.

GENERAL CONDITIONS

AUTOMOBILE DEFINED—TWO OR MORE AUTOMOBILES—Wherever in this policy the word automobile is used, it shall be held to mean any type of motor vehicle or trailer as described herein; and when two or more automobiles are insured hereunder, the conditions of this policy apply separately to each.

UNLESS OTHERWISE PROVIDED BY AGREEMENT IN WRITING ADDED HERETO, THIS COMPANY SHALL NOT BE LIABLE FOR LOSS OR DAMAGE

PROPERTY EXCLUDED—(a) To robes, wearing apparel, personal effects, or extra bodies (except that this exclusion does not apply to Property Damage coverage); or **WAR, RIOT, ETC.**—(b) Caused directly or indirectly by invasion, insurrection, riot, civil war or commotion, military, naval or usurped power, or by order of any civil authority; or

LIMITATION OF USE—(c) While the automobile described herein is used as a public or livery conveyance for carrying passengers for compensation; or while rented under contract or lease; or operated in any race or speed contest; or while used in any illicit or prohibited trade or transportation; or

AGE LIMIT OF DRIVER—(d) In connection with the perils of Collision or Upset and Property Damage only, while the automobile described herein is being operated by any person under the age limit fixed by law, or, in any event, under the age of fourteen years.

LIMITATION OF LIABILITY AND METHOD OF DETERMINING SAME—This Company's liability for loss or damage to the automobile described herein shall not exceed the actual cash value thereof at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated accordingly, with proper deduction for depreciation however caused, and without compensation for loss of use, and shall in no event exceed the limit of liability, if any, stated in the Schedule of Coverages, nor what it would then cost to repair or replace the automobile or parts thereof with other of like kind and quality; such ascertainment or estimate shall be made by the Assured and this Company, or if they differ, then by appraisal as hereinafter provided.

In the event of loss or damage to the automobile described herein, whether such loss or damage is covered by this policy or not, the liability of this Company shall be reduced by the amount of such loss or damage until repairs have been completed, but shall then attach as originally written without additional premium.

OTHER INSURANCE—No recovery shall be had under this policy if at the time a loss occurs there be any other insurance, whether such other insurance be valid and/or collectible or not, covering such loss, which would attach if this insurance had not been effected.

CANCELLATION—This policy shall be cancelled at any time at the request of the Assured, in which case this Company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rate premium for the expired term. This policy may be cancelled at any time by this Company by giving to the Assured five (5) days' written notice of cancellation with or without tender of the excess of paid premium above the pro-rata premium for the expired term, which excess, if not tendered, shall be refunded on demand. Notice of cancellation shall state that said excess premium, if not tendered, will be refunded on demand. Notice of cancellation mailed to the address of the Assured stated in this policy shall be a sufficient notice. Where a special provision for cancellation and notice of such cancellation is required by statutory enactment in the State where this policy is issued, the conditions of this Cancellation Clause are amended to conform thereto.

LOSS FOR WHICH CARRIER AND/OR BAILEE FOR HIRE IS LIABLE—This Company shall not be liable for loss or damage to the automobile described herein while in the possession of a carrier and/or bailee for hire under a contract, stipulation or assignment whereby the benefit of this insurance is sought to be made available to such carrier and/or bailee. Where loss or damage occurs for which a carrier and/or bailee may be liable and which would otherwise be covered hereunder, this Company will advance to the Assured by way of loan the money equivalent of such loss or damage, which loan shall in no circumstances affect the question of this Company's liability hereunder and shall be repaid to the extent of the net amount collected by or for account of the Assured from the carrier and/or bailee after deducting cost and expense of collection.

MISREPRESENTATION AND FRAUD—This entire policy shall be void if the Assured has concealed or misrepresented any material fact or circumstance concerning this insurance or the subject thereof; or in case of any fraud, attempted fraud, or false swearing by the Assured touching any matter relating to this insurance or the subject thereof, whether before or after a loss.

NOON—The word "noon" herein means noon of standard time at place policy is issued.

TITLE AND OWNERSHIP—Except as to any lien, mortgage, or other encumbrance specifically set forth and described in Item 3 of Warranties in this policy, this entire policy shall be void, unless otherwise provided by agreement in writing added hereto, if the interest of the Assured in the subject of this insurance be or become other than unconditional and sole lawful ownership, or if the subject of this insurance has ever been stolen or unlawfully taken prior to the issuance of this policy and not returned to the lawful owner prior to the issuance of this policy, or in case of transfer or termination of the interest of the Assured other than by death of the Assured, or in case of any change in the nature of the insurable interest of the Assured in the property described herein either by sale or otherwise, or if this policy or any part thereof shall be assigned before loss.

PROTECTION OF SALVAGE—In the event of any loss or damage, whether insured against hereunder or not, the Assured shall protect the property from other or further loss or damage, and any such other or further loss or damage due directly or indirectly to the Assured's failure to protect shall not be recoverable under this policy. Any such act of the Assured or this Company or its agents in recovering, saving and preserving the property described herein, shall be considered as done for the benefit of all concerned and without prejudice to the rights of either party and where the loss or damage suffered constitutes a claim under this policy, then all reasonable expenses thus incurred shall also constitute a claim under policy, provided, however, that this Company shall not be responsible for the payment of a reward offered for the recovery of the insured property unless authorized by this Company.

NOTICE OF LOSS—In the event of loss or damage covered hereby the Assured shall give immediate notice thereof in writing to this Company, provided, however, that where such a limitation for the giving of notice of loss is prohibited by the laws of the State wherein this policy is issued, then in that event such notice shall be given by the Assured within the shortest period permitted and in the manner required under the laws of such State.

In the event of Theft, Robbery or Pilferage the Assured shall also give immediate notice thereof to the Police.

PROOF OF LOSS—Within sixty (60) days after loss or damage, unless such time is extended in writing by this Company, the Assured shall render a statement to this Company, signed and sworn to by the Assured, stating the place, time and cause of the loss or damage, the interest of the Assured and of all others in the property, the sound value thereof and the amount of loss or damage thereto, all encumbrances thereon, and all other insurance, whether valid and/or collectible or not, covering said property; and the Assured, as often as required, shall exhibit to any person designated by this Company all that remains of the property insured and submit to examinations under oath by any person named in this Company, and subscribe the same; and as often as required, shall produce for examination all books of account, bills, invoices, and other vouchers, or certified copies thereof if originals be lost, at such reasonable place as may be designated by this Company or its representative, and shall permit extracts and copies thereof to be made.

APPRAISAL—In case the Assured and this Company shall fail to agree as to the amount of loss or damage, each shall, on the written demand of either, select a competent and disinterested appraiser. The appraisers shall first select a competent and disinterested umpire; and failing for fifteen (15) days to agree upon such umpire, then, on request of the Assured or this Company, such umpire shall be selected by a judge of a court of record in the County and State in which the appraisal is pending. The appraisers shall then appraise the loss and damage, stating separately sound value and loss or damage; and failing to agree, shall submit their differences only, to the umpire. An award in writing of any two, when filed with this Company, shall determine the amount of sound value and loss or damage. Each appraiser shall be paid by the party selecting him and the expenses of appraisal and umpire shall be paid by the parties equally.

Where a special provision for appraisal is required by statutory enactment in the State where this policy is issued, the conditions of this Appraisal Clause are amended to conform thereto.

ABANDONMENT—RETURN OF STOLEN PROPERTY—It shall be optional with this Company to take all or any part of the property at the agreed or approved value, but there can be no abandonment thereof to this Company; and where theft is insured against, this Company shall have the right to return a stolen automobile or its equipment with compensation for physical damage, at any time before actual payment hereunder.

PAYMENT OF LOSS—This Company shall not be held to have waived any provision or condition of this policy or any forfeiture thereof by any requirement, act or proceeding on its part relating to the appraisal, or to any examination herein provided for; and the loss shall in no event become payable until sixty (60) days after the notice, ascertainment, estimate and verified proof of loss herein required have been received by this Company, and if appraisal is demanded, then, not until sixty days after an award has been made by the appraisers.

SUBROGATION—This Company may require from the Assured an assignment of all right of recovery against any party for loss or damage to the extent that payment therefor is made by this Company.

SUIT AGAINST COMPANY—No suit or action on this policy or for the recovery of any claim hereunder shall be sustainable in any court of law or equity unless the Assured shall have fully complied with all the foregoing requirements, nor unless commenced within twelve (12) months next after the happening of the loss; provided that where such limitation of time is prohibited by the laws of the State wherein this policy is issued, then and in that event no suit or action under this policy shall be sustainable unless commenced within the shortest limitation permitted under the laws of such State.

Any and all provisions of this policy which are in conflict with the statutes of the State wherein this policy is issued are understood, declared and acknowledged by this Company to be amended to conform to such statutes.

PROVISIONS REQUIRED BY LAW TO BE STATED IN THIS POLICY—This policy is in a stock corporation.

This policy is attached to and issued concurrently with a policy bearing the same number issued by The Metropolitan Casualty Insurance Company of New York, to cover other risks on the same subject of insurance. The declarations and warranties of the Named Assured which are in part the consideration of that policy are hereby referred to and made a part of this policy, and any notice or proof of loss required by the terms of the policy and served upon The Metropolitan Casualty Insurance Company of New York, shall be sufficient service upon the Company.

IN WITNESS WHEREOF, this Company has executed and attested these presents; but this policy shall not be valid unless countersigned by a duly authorized Agent of this Company.

SPACE FOR ENDORSEMENTS

PART TWO THE METROPOLITAN CASUALTY INSURANCE COMPANY

OF NEW YORK

IN CONSIDERATION of the premium and the Warranties hereinbefore mentioned, the Company does hereby AGREE with the Named Assured, subject to the agreements and exclusions set forth herein and to the conditions of this policy which are made a part hereof.

INSURING AGREEMENTS

PUBLIC LIABILITY: TO PAY, provided specific premium charge is made in part two, page one of the policy, any loss and/or expense by reason of the liability imposed by law upon the Assured for damages on account of bodily injuries and/or death resulting therefrom accidentally suffered, or alleged to have been suffered, by any person or persons, by reason of the ownership, maintenance and/or use of any of the automobiles described in said Warranties (including carrying of goods thereon and the loading and unloading thereof).

The Company's liability for loss, as defined above, on account of an accident resulting in bodily injuries and/or death resulting therefrom to one person is limited to the amount specified in the first line of part two, page one of the policy, and, subject to the same limit for each person the Company's total liability for loss on account of any one accident or series of accidents arising from one and the same cause resulting in bodily injuries and/or death resulting therefrom to more than one person is limited to the amount specified in the second line of part two, page one of the policy.

IN ADDITION TO THE ABOVE THE COMPANY AGREES:

- EXPENSES AND COSTS:** TO PAY the expense of litigation and all costs taxed against the Assured in any legal proceeding defended by the Company, and all interest accruing after entry of any judgment until the Company has paid, tendered or deposited in Court such part of such judgment as does not exceed the limit of the Company's liability as expressed in this policy.
- SERVICE: TO INVESTIGATE** at its own cost any accident (to which this policy applies) reported to the Company, and to settle any claim as the Company may deem advisable; and if suit is brought against the Assured on account of such an accident, to defend such suit even if groundless, false or fraudulent, in the name and on behalf of the Assured unless or until the Assured shall elect to effect settlement thereof.
- SURGICAL RELIEF: TO REIMBURSE** the Assured for such immediate surgical relief as shall be imperative at the time of an accident to which this policy applies.
- ADDITIONAL ASSURED:** THAT the terms and conditions of this policy are so extended as to be available, in the same manner and under the same conditions as they are available to the Named Assured, to any person or persons while riding in or legally operating any of the automobiles described in the Warranties, and to any person, firm or corporation legally responsible for the operation thereof, provided such use or operation is with the permission of the Named Assured, or, if the Named Assured is an individual, with the permission of an adult member of the Named Assured's household other than a chauffeur or a domestic servant, except that the terms and conditions of this policy shall not be available to a public automobile garage, automobile repair shop, automobile sales agency, automobile service station and the agents or employees thereof.
- PLATE GLASS:** PLATE GLASS covers direct loss or damage to any glass permanently attached to or forming a part of the structure of the automobile described herein, caused by accidental breakage of such glass, except all glass in outside lighting apparatus and outside mirrors, subject to the following provisions: If the loss or damage to the glass is covered by other insurance, this Company shall not be liable under this clause for any part of such loss or damage, except that if such other insurance provides that a specified amount shall be deducted from each loss, this Company shall be liable under this clause to an amount not exceeding the amount deductible in such other insurance. All terms and conditions of this policy not in conflict herewith remain unchanged.

EXCLUSIONS

- The Company shall not be liable under this policy for
- Any Accident, or alleged accident, of any kind unless the same occurs within the policy period.
- Accidents occurring while any of the insured automobiles are being used for any purpose other than that specified in Item 4 of the Warranties.
- Claims on account of accidents occurring while any of the insured automobiles are being operated in any race or speed contest or by any person in violation of law as to age or in any event under the age of fourteen years.
- Accidents occurring to any employee of the Assured (except domestic servants, not chauffeurs) while engaged in any business or occupation of the Assured or in the operation, maintenance or repair of any of the insured automobiles.
- Any liability assumed by or imposed upon the Assured to pay Workmen's Compensation.
- Liability of others assumed by the Assured under any contract or agreement, oral or written.
- Accidents occurring while any of the insured automobiles are being maintained or used beyond the limits of the United States of America or the Dominion of Canada.

THE FOREGOING AGREEMENTS ARE SUBJECT TO THE FOLLOWING CONDITIONS:

ASSURED AND NAMED ASSURED—The unqualified term "Assured" wherever used in this policy shall include in each instance the Named Assured and any other person, firm or corporation coming within the provisions and conditions of Agreement 4, but the qualified term "Named Assured" shall apply only to the Assured named and described as such in the Warranties.

OTHER INSURANCE—If the Named Assured carries a policy of another insurer against any loss and/or expense covered by this policy, the Named Assured shall not recover from the Company a larger proportion of the entire loss and/or expense than the amount hereby insured bears to the total amount of valid and collectible insurance applicable thereto, and if any person, firm or corporation other than the Named Assured has valid and collectible insurance against any claim or loss described in the insuring agreements then no such person, firm or corporation shall be deemed to be an Assured hereunder.

BANKRUPTCY OR INSOLVENCY—Bankruptcy or Insolvency of the Named Assured shall not relieve the Company of any of its obligations hereunder. If any person or his legal representatives shall obtain final judgment against the Named Assured because of any such injuries, and execution thereon is returned unsatisfied by reason of bankruptcy, insolvency or any other cause, or if such judgment is not satisfied within thirty days after it is rendered, then such person or his legal representatives may proceed against the Company to recover the amount of such judgment, either at law or in equity, but not exceeding the limit of this policy applicable thereto.

REPORTING ACCIDENTS, LOSSES, CLAIMS AND SUITS. CO-OPERATION OF ASSURED—Upon the occurrence of an accident covered by this policy the Assured shall give immediate written notice thereof with the fullest information obtainable at the time, to the Company or its duly authorized representative. If a claim for damages is made upon the Assured on account of such accident, the Assured shall give like notice thereof with full particulars. The Assured shall at all times render to the Company all co-operation and assistance in his power.

Notice given by or on behalf of the Assured to any authorized Agent of the Company with particulars sufficient to identify the Assured shall be deemed to be notice to the Company. Failure to give any notice required to be given by the policy within the time specified therein shall not invalidate any claim made by the Assured if it shall be shown not to have been reasonably possible to give such notice within the prescribed time and that notice was given as soon as was reasonably possible.

If suit is brought against the Assured to enforce a claim for damages covered by this policy, the Assured shall immediately forward to the Company every summons or other process as soon as the same shall have been served on the Assured.

The Assured, whenever requested by this Company, shall aid in effecting settlements, securing information and evidence, the attendance of witnesses and in prosecuting appeals, but the Assured shall not voluntarily assume any liability or interfere in any negotiation for settlement, or in any legal proceeding, or incur any expense, or settle any claim, except at the Assured's own cost, without the written consent of the Company previously given, except that, as respects liability for personal injuries covered hereunder, the Assured may provide at the Company's expense such immediate surgical relief as is imperative at the time of the accident.

SUBROGATION OF RIGHTS—In case of payment of loss and/or expense under this policy, the Company shall be subrogated to the amount of such payment, to the Assured's rights of recovery against others for such loss and/or expense, and the Assured shall execute all papers required and shall co-operate with the Company to secure such rights.

ASSURED'S RIGHT OF RECOVERY—No action shall lie against the Company for the recovery of any loss or damage under this policy, unless brought after the amount of such loss or damage shall have been fixed and rendered certain by final judgment against the Named Assured after trial of the issue, or by agreement between the parties with the written consent of the Company, nor in any event unless brought within two years after such final judgment or agreement.

CANCELLATION—This policy may be cancelled at any time by either of the parties hereto upon written notice to the other party stating when thereafter cancellation shall be effective; the date of cancellation shall then be the end of the policy period, and if cancelled by the Company the earned premium shall be computed and adjusted upon a pro rata basis. If, however, such cancellation is at the request of the Assured, the earned premium shall be calculated at short rates in accordance with the table printed herein. Notice of cancellation mailed to the address of the Assured stated in the Warranties herein shall be a sufficient notice, and the check of the Company similarly mailed a sufficient tender of any unearned premium.

CHANGE OF INTEREST—In the event an automobile to which this policy applies is sold, transferred or assigned, the insurance provided herein shall not extend to such purchaser, transferee, or assignee except by endorsement attached hereon, signed by its President, Vice-President, Secretary or Treasurer. In the event of the death of any of the Named Assured, if an individual, during the policy period, this policy shall continue in force for the benefit of the legal representatives of such Assured for sixty (60) days from noon of the date of such death, but in no event shall this extension continue this insurance beyond the termination date provided in the policy.

BASIS OF PREMIUM—The premium is based upon the number and character of the automobiles and the uses to which same are to be put as described in the Warranties herein.

INSPECTION—The Company shall be permitted at all reasonable times to inspect any automobile covered by this policy.

ALTERATIONS IN POLICY—No condition or provision of this policy shall be waived or altered except by written endorsement attached hereto and signed by the President, a Vice-President, Secretary or Treasurer of the Company; nor shall notice to any agent, nor shall knowledge possessed by any agent or by any other person, be held to effect a waiver or change in any part of this contract. Upon the acceptance of this policy the Assured agrees that its terms embody all agreements then existing between the Assured and the Company or any of its agents relating to the insurance described herein.

AUTHORIZED REPRESENTATIVES—No person shall be deemed a representative of the Company unless such person is authorized in writing as such representative by the Assured.

CONFIRMING STATUTORY PROVISIONS—If any condition of this policy relating to the limitation of time for notice of accident or for any legal proceeding is at variance with any specific statutory provision in the State in which the accident occurs, such specific statutory provision shall be substituted for such condition.

This Policy is attached to and issued concurrently with a Policy bearing the same number issued by the Milwaukee Mechanics Insurance Company, Milwaukee, Wisconsin, to cover other risks on the same subject of insurance. The declarations and warranties of the Named Assured which are in part the consideration of that Policy are hereby referred to and made a part of this Policy, and any notice or proof of loss required by the terms of this Policy and served upon the Milwaukee Mechanics Insurance Company, Milwaukee, Wisconsin, shall be sufficient service upon the Company.

IN WITNESS WHEREOF, The Metropolitan Casualty Insurance Company of New York, has caused these presents to be signed by its President and Secretary, but the same shall not be binding unless countersigned by an authorized representative of the Company.

It is further agreed that the extent of the coverage required by said Chapter and within the limits stated in said Chapter, this Policy is subject to the following additional provisions:

Inclosed you will please find a communication from "Automobil Club of Southern California" which I have just received and which is self explanatory.

Mr. Torreblanca is in Mexico City now and has been there for several months. He never told me any thing whatsoever regarding this matter upon his return from the Rose -- Bowl and in fact I knew nothing about it until I received the above mentioned papers.

Hoping you will know how to dispose of such matters as this, I am,

AUTHORIZED BUICK DEALER

Maintenance Suggestions

Buick Dealers in providing this Owner Policy acknowledge responsibility to Buick Owners for their continued satisfaction.

Owners in turn may further increase this satisfaction by accepting the following recommendations:

1. Have all service contacts with Authorized Buick Service Stations to insure, experienced, conscientious service and the use of Genuine Buick parts when needed.
2. Have safety inspection made at regular intervals. (Brakes, lights, steering, horn and windshield wiper.)
3. Follow recommendations for lubrication. See Owner Manual and Lubrication Chart.
4. Keep tires properly inflated. See Owner Manual.
5. Check fluid level in battery at least every week in Summer and every two weeks in Winter.
6. Keep radiator filled at all times. Provide proper anti-freeze solution during Winter months.
7. Follow factory recommendations for operating speeds when the car is new.

However generous an Owner Service Policy may be, its ultimate value depends upon the dealer organization behind it. This policy is backed up by a nationwide Buick service organization. They are fully prepared to service your car and assure your satisfaction. Wherever you are, just look in the classified pages of the telephone directory under Buick for the nearest dealer.

BUICK OWNER SERVICE POLICY

1. DELIVERY—It is the duty of the dealer to see that the car is properly prepared before delivery to the owner, in accordance with Standard Factory instructions.

2. SERVICE IDENTIFICATION CARD—At the time of delivery the owner will be provided with a Service Identification Card which will introduce him to any Authorized Buick Service Station and entitle him to receive service in accordance with this policy. The owner should carry this card with him at all times.

3. PARTS AND LABOR—For 90 days after delivery, provided the car has not been driven to exceed 4,000 miles, any parts (including all original equipment except tires) which have proved defective in either material or workmanship, will be replaced or repaired by any Buick dealer in the United States or Canada without charge to the owner for the material or labor.

4. 1000 AND 2000 MILE ADJUSTMENTS—The attached coupons entitle the owner to the inspections and adjustments as listed on back of said coupons. These services are to be given free only by the Dealer from whom the car was purchased, except as provided otherwise in paragraph 6.

5. REGULAR MAINTENANCE—Regular Maintenance such as lubrication and adjustments to all units will do a great deal to reduce the cost of operation. Therefore, we suggest that you take your car regularly to an Authorized Buick Dealer for inspection and adjustments, inasmuch as they have factory trained mechanics, factory approved tools and equipment, and use only genuine parts of the same high quality as used in the manufacture of your vehicle.

6. TOURIST AND CHANGE OF RESIDENCE PRIVILEGES—Continuity of work can best be accomplished by the Dealer who serviced and sold the car. However, when an owner is touring or has moved from one town, city or metropolitan area to another town, city or metropolitan area, he may obtain the services outlined in paragraphs 3 and 4 from any Authorized Buick Dealer in the United States or Canada.

7. PARTS AND LABOR PRICES—For the benefit of the owner the Buick Motor Company has provided established parts and labor prices on regular maintenance work. Genuine Buick parts are sold through Authorized Buick Service Stations, and can be secured anywhere in the United States or Canada at the published list.

(Each a Stock Insurance Company herein called the Company)

SECTION I. DO HEREBY SEVERALLY AGREE with the Insured named in the Declarations made a part hereof, in consideration of the payment of the premiums and of the statements contained in the Declarations and subject to the limits of liability, exclusions, conditions and other terms of this Policy, provided (1) that The Canadian Indemnity Company shall be the insurer with respect to any one or more of Coverages A and B for which a premium is specified and charged in Item 3 of the Declarations and no other, and (2) that The Canadian Fire Insurance Company shall be the insurer with respect to any one or more of Coverages C, D, E-1, E-2, E-3 and F, for which a premium is specified and charged in Item 3 of the Declarations and no other:

COVERAGE A—BODILY INJURY LIABILITY

TO PAY on behalf of the Insured all sums which the Insured shall become obligated to pay by reason of the liability imposed upon him by law for damages, including damages for care and loss of services, because of bodily injury, including death at any time resulting therefrom, sustained by any person or persons, caused by accident and arising out of the ownership, maintenance or use of the automobile.

COVERAGE B—PROPERTY DAMAGE LIABILITY

TO PAY on behalf of the Insured all sums which the Insured shall become obligated to pay by reason of the liability imposed upon him by law for damages, because of injury to or destruction of property, including the loss of use thereof, caused by accident and arising out of the ownership, maintenance or use of the automobile.

COVERAGE C—FIRE, LIGHTNING AND TRANSPORTATION

TO PAY for any direct loss or damage to the automobile and/or its equipment caused by (a) Fire, arising from any cause whatsoever, and Lightning; (b) the Stranding, Sinking, Burning, Collision or Derailment of any conveyance in or upon which the automobile is being transported on land or water, including general average and salvage charges for which the Insured is legally liable.

COVERAGE D—THEFT, ROBBERY AND PILFERAGE

TO PAY for any direct loss or damage to the automobile and/or its equipment caused by Theft, Robbery and Pilferage, excepting by any person or persons in the Insured's household or in the Insured's service or employment, whether the theft, robbery or pilferage occurs during the hours of such service or employment or not, and excepting by any person, or agent thereof, or by the agent of any firm or corporation to which person, firm or corporation the Insured, or any one acting under express or implied authority of the Insured, voluntarily parts with title and/or possession, whether or not induced so to do by any fraudulent scheme, trick, device or false pretense; and excepting in any case, other than the theft of the entire automobile described herein, the theft, robbery or pilferage of tools or repair equipment.

This Policy does not insure against the wrongful conversion, embezzlement or secretion by a mortgagor, vendee, lessee or other person in lawful possession of the insured property under a mortgage, conditional sale, lease or other contract or agreement, whether written or verbal.

COVERAGE E-1—COLLISION OR UPSET

TO PAY for any direct loss or damage to the automobile and/or its equipment caused by Accidental Collision or Upset, where the damage to the automobile and/or equipment from such collision or upset is in excess of the deduction specified in Item 3, Coverage E-1, of the Declarations; each accident shall be deemed a separate claim and the amount of determined loss or damage shall be subject to such deduction; but this insurance shall not cover loss or damage; (1) caused directly or indirectly by fire, (2) to any tire, unless caused in an accidental collision or upset which also causes other loss or damage to the automobile.

COVERAGE E-2—CONVERTIBLE COLLISION OR UPSET

TO PAY for any direct loss or damage to the automobile and/or its equipment caused by Accidental Collision or Upset and excluding in any event loss or damage: (1) caused directly or indirectly by fire, (2) to any tire, unless caused in an accidental collision or upset which also causes other loss or damage to the insured automobile. Upon the occurrence of the first collision or upset which is made the basis of a claim hereunder, the Insured shall pay to the Company an additional premium equal to the retained premium stated in Item 3, Coverage E-2, and shall give immediate notice in writing of said collision or upset to the Company. It is agreed that loss or damage occurring to the insured automobile previous to the reported accident shall in no event be considered the basis of a valid claim under the terms of this Policy. If there be more than one automobile insured hereunder, the collision premium and additional payment applicable to each automobile shall be set forth in a schedule attached to and forming part of this Policy.

COVERAGE E-3—PARTICIPATING COLLISION OR UPSET

TO PAY for any direct loss or damage to the automobile and/or its equipment caused by accidental collision or upset, in excess of the aggregate amount retained by the assured on each of the automobiles described in the declarations, excluding in any event loss or damage: (1) caused directly or indirectly by fire, (2) to any tire, unless caused in an accidental collision or upset which also causes other loss or damage to the insured automobile.

For credit under the aggregate retention the assured must make immediate report to the Company of any loss thereunder and file with the company a receipted bill for repairs within 30 days thereafter. It is understood and agreed that when the assured has used the amount of his retention for his repairs made necessary by collision accidents covered hereunder and has filed with the Company satisfactory evidence thereof, the Company will thereafter assume the total expense of all other collision losses during the life of this policy.

COVERAGE F—MATERIAL DAMAGE

TO PAY for any material damage to the automobile or automobiles described in the Schedule of Declarations except loss of use; depreciation; wear and tear; mechanical or electrical breakdown, failure or breakages; freezing; robes, wearing apparel and other personal effects; damage to tires, tools or repair equipment; and damage caused by fire, transportation, theft, robbery, pilferage, collision or upset.

SECTION II. THIS POLICY INCLUDES the following provisions as respects Coverages A and B:

(1) The unqualified word "Insured" wherever used in Coverages A and B and in other parts of this Policy when applicable to these coverages, includes not only the Named Insured but also any person while using the automobile and any person or organization legally responsible for the use thereof, provided the disclosed and actual use of the automobile is "pleasure and business" or "commercial" each as defined herein, and provided, further, that the actual use is with the permission of the Named Insured, who, if an individual, may give such permission through an adult member of his household other than a chauffeur or domestic servant. The provisions of this paragraph shall not apply, however, to any person or organization, or to any agent or employee thereof, operating an automobile repair shop, public garage, sales agency, service station, or public parking place with respect to any accident arising out of the operation thereof; nor to any employee of an Insured with respect to any action brought against said employee by another employee of the same Insured injured in the course of such employment on account of an accident arising out of the maintenance or use of the automobile in the business of such Insured. Insurance payable under this Policy shall be applied by the Company, first, to the protection of the Named Insured, and the remainder, if any, to the protection of any other Insured.

(2) The Company further agrees (a) To defend in his name and behalf any suit against the Insured seeking damages on account of such injury or destruction, even if such suit is groundless, false, or fraudulent. (b) To pay all premiums on bonds to release attachments, all premiums on appeal bonds required in any such defended suit but without any obligation to make such appeal bond, all costs taxed against the Insured in any such suit, all expenses incurred by the Company, all interest accruing after entry of judgment until the Company has paid, tendered or deposited in Court such part of such judgment as does not exceed the limit of the Company's liability thereon, and any expense incurred by the Insured, in the event of bodily injury to others, for such immediate medical and surgical relief as shall be imperative at the time of the accident.

(3) The Company shall have the right to settle any claim or suit and to make such investigation or negotiation as may be deemed expedient by the Company.

SECTION III. THIS POLICY APPLIES ONLY to accidents which occur and to direct losses to the property insured which are sustained during the Policy Period, while the automobile is within the United States in North America (exclusive of Alaska) or the Dominion of Canada, including while on coastwise vessels between ports within said territory and is owned, maintained and used for the purposes stated as applicable thereto in the Declarations.

SECTION IV. AUTOMATIC INSURANCE FOR NEWLY ACQUIRED AUTOMOBILES. The insurance afforded by this Policy shall also apply as of the date of purchase to any other automobile purchased by the Named Insured, during the Policy period, subject to all the terms of this Policy and subject also to the following conditions: (1) If the Company covers all automobiles owned by the Named Insured at the date of purchase of any such other automobile, the insurance shall be applicable to such other automobile if used for pleasure purposes or in the disclosed business of the Named Insured; (2) If the Company does not cover all automobiles owned by the Named Insured at the date of purchase of any such other automobile, the insurance shall be applicable only to such other automobile if used for the purposes described in this Policy and it replaces an automobile of the same type described in this Policy; (3) The insurance afforded by this Policy shall automatically terminate upon the replaced automobile at the date of purchase; and (4) this agreement shall not apply unless the Named Insured notifies the Company within ten days following the date of purchase of such other automobile.

SECTION V. MEXICAN COVERAGE. This policy is hereby extended to cover, for a period not exceeding ten days at any one time, in the Republic of Mexico. It is understood and agreed that in the event of loss or damage which may make necessary the repair of the insured automobile or replacement of any part or parts thereof, while said automobile is in such Mexican territory, the basis of adjustment of claim for such repairs and/or replacement shall not exceed the cost of such repairs and/or replacement at the nearest point in the United States where such repairs and/or replacements can be made.

EXCLUSIONS

This Policy excludes any obligation of the Company:

(a) Under any of the above Coverages, while the automobile is used in the business of demonstrating or testing, or as a public or livery conveyance or for carrying persons for a consideration or while rented under contract or leased, unless such use is specifically declared and described in this Policy and a premium charged therefor;

(b) Under Coverages A and B, for any liability assumed by the Insured under any oral or written contract or agreement; or with respect to any accident which occurs after the transfer during the Policy Period of the Named Insured's interest in the automobile, without the consent of the Company endorsed hereon;

(c) Under Coverages A and B, while the automobile is used for the towing of any trailer unless such use is specifically declared and described in this policy and premium charged therefor;

(d) Under Coverages A and B, with respect to any trailer covered by this Policy while such trailer is being used in connection with any automobile not covered by like insurance in this Company;

(e) Under any of the above Coverages, while the automobile is being driven in any prearranged race or competitive speed test, or under Coverages A, B, E-1, E-2, E-3, and F, while the automobile is being driven by any person in violation of any state, federal or provincial law as to age applicable to such person, or by any person under the age of fourteen years;

(f) Under Coverage A, for such bodily injury to or death of any employee of the Insured while engaged in the business of the Insured, other than domestic employment, or in the operation, maintenance or repair of the automobile, or to any person to whom the Insured may be held liable under any Workmen's Compensation Law;

(g) Under Coverage B, for property owned by, rented to, leased to, in charge of, or transported by the Insured;

(h) Under Coverages C, D, E-1, E-2 and E-3 for loss or damage caused directly or indirectly by invasion, insurrection, riot, civil war or commotion, military, naval or usurped power, or by order of any civil authority;

(i) Under Coverages C, D, E-1, E-2, E-3 and F, for loss or damage to robes, wearing apparel, personal effects or extra bodies;

(j) Under Coverage F, for loss or damage due to: War, Invasion, Military, Naval or Usurped Power, Confiscation or authorized destruction by duly constituted Governmental or Civil Authorities.

SPECIAL CONDITIONS APPLICABLE ONLY TO COVERAGES A AND B

NOTICE OF ACCIDENT

Upon the occurrence of an accident written notice shall be given by or on behalf of the Insured to the Company or any of its authorized agents as soon as practicable. Such notice shall contain particulars sufficient to identify the Insured and also reasonably obtainable information respecting the time, place and circumstances of the accident, the name and address of the injured and any available witnesses. If claim is made or suit is brought against the Insured, the Insured shall immediately forward to the Company every demand, notice, summons or other process received by him or his representative.

ACTION AGAINST COMPANY

No action shall lie against the Company unless, as a condition precedent thereto, the Insured shall have shown compliance with all the conditions hereof, nor until the amount of the Insured's obligation to pay shall have been determined either by final judgment against the Insured after actual trial or by written agreement of the Insured, the claimant, and the Company, nor in either event unless suit is instituted within two years and one day after the date of such judgment or written agreement.

Any person or his legal representative who has secured such judgment or written agreement shall thereafter be entitled to recover under the terms of this policy in the same manner and to the same extent as the Insured. Nothing contained in this Policy shall give any person or organization any right to join the Company as a co-defendant in any action against the Insured to determine the Insured's liability.

BANKRUPTCY OR INSOLVENCY OF INSURED

Bankruptcy or insolvency of the Insured shall not relieve the Company of any of its obligations hereunder. If any person or his legal representative shall obtain final judgment against the Insured because of any such injuries or death covered hereby, and execution thereon is returned unsatisfied by reason of bankruptcy, insolvency or any other cause, or if such judgment is not satisfied within thirty (30) days after it is rendered, then such person or his legal representatives may proceed against the Company to recover the amount of such judgment, either at law or in equity, but not exceeding the limit of this Policy applicable thereto, and subject to all its other terms and limitations.

OTHER INSURANCE

If the Named Insured has other insurance against a loss covered by the Policy, the Company, as respects the Named Insured, shall not be liable under this Policy for a greater proportion of such loss than the applicable limit of liability expressed in the Declarations bears to the total applicable limit of liability of all valid and collectible insurance against such loss. No other Insured shall be covered under this Policy with respect to any loss against which he has other valid and collectible insurance.

ASSIGNMENT

No assignment of interest under this Policy shall bind the Company until its consent is endorsed hereon; if, however, the Named Insured shall die or be adjudged bankrupt or insolvent within the Policy Period, this Policy unless cancelled shall cover the legal representatives, widow or widower, and next of kin of the Named Insured during the unexpired portion of such period provided notice be given to the Company in writing within thirty days after the date of such death or adjudication.

LIMITS OF LIABILITY

The limit of bodily injury liability expressed in the Declarations as applicable to "each person" is the limit of the Company's liability for all damages, including damages for care and loss of services, arising out of bodily injury to or death of one person in any one accident; the limit of such liability expressed in the Declarations as applicable to "each accident" is, subject to the above provision respecting each person, the total limit of the Company's liability for all damages, including damages for care and loss of services, arising out of bodily injury to or death of two or more persons in any one accident.

LIMITS OF LIABILITY

Coverages A and B The inclusion herein of more than one Insured shall not operate to increase the limits of the Company's liability.

FINANCIAL RESPONSIBILITY LAWS

Any insurance provided by this Policy for bodily injury liability or property damage liability shall conform to the provisions of the Motor Vehicle Financial Responsibility Law of any state or province which shall be applicable with respect to any such liability arising from the use of the automobile during the Policy Period, to the extent of the coverage and limits of liability required by such law, but in no event in excess of the limits of liability stated in this Policy.

The Insured agrees to reimburse the Company for any payment made by the Company on account of any accident, claim or suit, involving a breach of the terms of this Policy or for any payment the Company would not have been obligated to make under the provisions of this Policy except for the agreement contained in the foregoing paragraph.

ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall cooperate with the Company and, upon the Company's request, shall assist in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits. The Insured shall not voluntarily make any payment, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of the accident.

STATUTORY PROVISIONS

Any specific statutory provision in force in the State in which it is claimed that the Assured is liable for any such loss as is covered hereby shall supersede any provision in this Policy inconsistent therewith.

SPECIAL CONDITIONS APPLICABLE ONLY TO COVERAGES C, D, E-1, E-2, E-3 AND F.

The Company's liability for loss or damage to the automobile shall not exceed the actual cash value thereof at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated accordingly, with proper deduction for depreciation however caused, and without compensation for loss of use, and shall in no event exceed the limit of liability, if any, stated in Item 3 of the Declarations, nor what it would then cost to repair or replace the automobile or parts thereof with other of like kind and quality; such ascertainment or estimate shall be made by the Insured and the Company, or if they differ, then by appraisal as hereinafter provided.

In the event of loss or damage to the automobile, whether such loss or damage is covered by this Policy or not, the liability of the Company shall be reduced by the amount of such loss or damage until repairs have been completed, but shall then attach as originally written without additional premium.

OTHER INSURANCE

No recovery shall be had under this Policy if at the time a loss occurs there be any other insurance, whether such other insurance be valid, and/or collectible, or not, covering such loss, which would attach if this insurance had not been effected.

LOSS WHEN CARRIER OR BAILEE

The Company shall not be liable for loss or damage to the automobile while in the possession of a carrier and/or bailee for hire under a contract, stipulation or assignment whereby the benefit of this insurance is sought to be made available to such carrier and/or bailee. Where loss or damage occurs for which a carrier and/or bailee may be liable and which would otherwise be covered hereunder, the Company will advance to the Insured by way of loan the money equivalent of such loss or damage, which loan shall in no circumstances affect the question of the Insured's liability hereunder and shall be repaid to the extent of the net amount collected by or for account of the Insured from the carrier and/or bailee after deducting cost and expense of collection.

LIEN OR ENCUMBRANCE

Unless otherwise provided by agreement in writing added hereto, and except as to any lien, mortgage, or other encumbrance specifically set forth and described in Item 5 of the Declarations, the Company shall not be liable for loss or damage to any property insured hereunder while subject to any lien, mortgage, or other encumbrance.

TITLE AND OWNERSHIP

Except as to any lien, mortgage, or other encumbrance specifically set forth and described in Item 5 of the Declarations, this Policy shall be void, unless otherwise provided by agreement in writing added hereto, if the interest of the Insured in the subject of this insurance be or become other than unconditional and sole lawful ownership, or if the subject of this insurance has ever been stolen or unlawfully taken prior to the issuance of this Policy and not returned to the lawful owner prior to the issuance of this Policy, or in case of transfer or termination of the interest of the Insured other than by death of the Insured, or in case of any change in the nature of the insurable interest of the Insured in the property described herein either by sale or otherwise, or if this Policy or any part thereof shall be assigned before loss.

PROTECTION OF SALVAGE

In the event of any loss or damage, whether insured against hereunder or not, the Insured shall protect the property from other or further loss or damage, and any such other or further loss or damage due directly or indirectly to the Insured's failure to protect shall not be recoverable under this Policy. Any such act of the Insured or of the Company or of its agents in recovering, saving and preserving the property described herein shall be considered as done for the benefit of all concerned and without prejudice to the rights or defenses of either party, and where the loss or damage suffered constitutes a claim under this Policy, then all reasonable expenses thus incurred shall also constitute a claim under this Policy, provided, however, that the Company shall not be responsible for the payment of a reward offered for the recovery of the insured property unless authorized by the Company.

APPRAISAL

In case the Insured and the Company shall fail to agree as to the amount of loss or damage, each shall, on the written demand of either, select a competent and disinterested appraiser. The appraisers shall first select a competent and disinterested umpire; and failing for fifteen (15) days to agree upon such umpire, then, on request of the Insured or the Company, such umpire shall be selected by a Judge of the Court of Record in the County and State in which the appraisal is pending. The appraisers shall then appraise the loss and damage stating sound value and loss or damage; and failing to agree, shall submit their differences only to the umpire. An award in writing of any two, when filed with the Company, shall determine the amount of sound value and loss or damage, and be binding upon the Insured, any loss payee or mortgagee, and the Company. Each appraiser shall be paid by the party selecting him and the expenses of appraisal and umpire shall be paid by the parties equally.

ABANDONMENT—RETURN OF STOLEN PROPERTY

It shall be optional with the Company to take all or any part of the property at the agreed or appraised value, but there can be no abandonment thereof to the Company; and where theft is insured against, the Company shall have the right to return a stolen automobile or its equipment with compensation for physical damage, at any time before actual payment hereunder.

PAYMENT OF LOSS

The Company shall not be held to have waived any provision or condition of this Policy or any forfeiture thereof by any requirement, act, or proceeding on its part relating to the appraisal, or to any examination herein provided for; and the loss shall in no event become payable until sixty (60) days after the notice, ascertainment, estimate and verified proof of loss herein required have been received by the Company, and if appraisal is demanded, then, not until sixty days after an award has been made by the appraisers.

NOTICE OF LOSS

In the event of loss or damage, the Insured shall give immediate notice thereof in writing to the Company.

In the event of Theft, Robbery or Pilferage, the Insured shall also give immediate notice thereof to the Police.

ASSISTANCE AND COOPERATION OF THE INSURED

In the event of loss or damage and whenever requested by the Company, the Insured shall assist in the recovery of property insured hereunder, either by means of replevin proceedings or otherwise, in effecting settlement, securing evidence, obtaining the attendance of witnesses and prosecuting suits to such an extent and in such a manner as is deemed desirable by the Company, and the Company shall reimburse the Insured for any expense incurred at its request.

PROOF OF LOSS

Within sixty-one (61) days after loss or damage for which claim is made, unless such time is extended in writing by the Company, the Insured shall render a statement to the Company signed and sworn to by the Insured, stating the place, time and cause of such loss or damage, the interest of the Insured and of all others in the property, the sound value thereof and the amount of loss or damage thereto, all encumbrances thereon, and all other insurance, whether valid and/or collectible or not, covering such property; and all claims for such loss or damage shall be forfeited by failure to furnish such sworn statements within the time provided; and the Insured, as often as required, shall exhibit to any person designated by the Company all that remains of the property insured, and submit to examinations, under oath, by any person designated by the Company, and subscribe the same; and as often as required, shall produce for examination all books of account, bills, invoices, and other vouchers, or certified copies thereof if originals be lost, at such reasonable place as may be designated by the Company or its representatives, and shall permit extracts and copies thereof to be made.

RECOVERY

No suit or action on this policy or for the recovery of any claim hereunder shall be sustainable in any court of law or equity unless the Insured shall have shown compliance with all the foregoing requirements, nor unless commenced within two (2) years and one (1) day next after a cause of action shall exist.

STATUTORY PROVISIONS

Any and all provisions of this Policy which are in conflict with the statutes of the State wherein this Policy is issued are understood, declared and acknowledged by the Company to be amended to conform to such statutes.

Owners in turn may further increase this satisfaction by accepting the following recommendations:

1. Have all service contacts with Authorized Buick Dealers to insure experienced, conscientious service and the use of Genuine Buick parts when needed.
2. Have safety inspection made at regular intervals. (Brakes, lights, steering, horn and windshield wiper.)
3. Follow recommendations for lubrication. See Owner Manual and Lubrication Chart.
4. Keep tires properly inflated. See Owner Manual.
5. Check fluid level in battery at least every week in Summer and every two weeks in Winter.
6. Keep radiator filled at all times. Provide proper anti-freeze solution during Winter months.
7. Follow factory recommendations for operating speeds when the car is new.

However generous an Owner Service Policy may be, its ultimate value depends upon the dealer organization behind it. This policy is backed up by a nation-wide Buick service organization. They are fully prepared to service your car and assure your satisfaction. Wherever you are, just look in the classified pages of the telephone directory under Buick for the nearest dealer.

BUICK OWNER SERVICE POLICY

1. DELIVERY—It is the duty of the dealer to see that the car is properly prepared before delivery to the owner, in accordance with Standard Factory instructions.

2. SERVICE IDENTIFICATION CARD—At the time of delivery the owner will be provided with a Service Identification Card which will introduce him to any Authorized Buick Dealer and entitle him to receive service in accordance with this policy. The owner should carry this card with him at all times.

3. INSTALLATION OF PARTS FURNISHED UNDER WARRANTY—Parts supplied under the Manufacturer's Warranty will be installed by any Buick dealer in the United States or Canada without any charge for labor. The Manufacturer's Warranty is set forth at length in the Owner Manual.

4. 1000 AND 2000 MILE ADJUSTMENTS—The attached coupons entitle the owner to the inspections and adjustments as listed on back of said coupons. These services are to be given

free only by the Dealer from whom the car was purchased, except as provided otherwise in paragraph 6.

5. REGULAR MAINTENANCE—Regular Maintenance such as lubrication and adjustments to all units will do a great deal to reduce the cost of operation. Therefore, we suggest that you take your car regularly to an Authorized Buick Dealer for inspection and adjustments, inasmuch as they have factory trained mechanics, factory approved tools and equipment, and use only genuine parts of the same high quality as used in the manufacture of your vehicle.

6. TOURIST AND CHANGE OF RESIDENCE PRIVILEGES—Continuity of work can best be accomplished by the Dealer who serviced and sold the car. However, when an owner is touring or has moved from one town, city or metropolitan area to another town, city or metropolitan area, he may obtain the services outlined in paragraphs 3 and 4 from any Authorized Buick Dealer in the United States or Canada.

11.—SALVAMENTO: Queda expresamente convenido que en caso de liquidación de una pérdida total, el salvamento o cualquier recuperación posterior quedarán de propiedad de la Compañía. Asimismo la Compañía podrá retener en su poder cualquier pieza o accesorio que haya sido substituido en caso de pérdida parcial.

12.—REDUCCION DEL SEGURO POR SINIESTROS: Queda entendido y convenido que las cantidades aseguradas por esta póliza en cada sección de la Especificación de Riesgos, quedarán reducidas automáticamente en la cantidad o cantidades que se hayan pagado por siniestros durante el plazo de la misma, excepto cuando por convenio entre el asegurado y la Compañía, la suma original asegurada, haya sido repuesta con el pago de la prima adicional correspondiente a la fecha de vencimiento de esta póliza.

Si la póliza comprendiere varios incisos, tanto la reducción como el pago de la prima adicional, se aplicarán al inciso o incisos afectados.

13.—PERITAJE: En caso de desavenencia entre el asegurado y la Compañía sobre el monto de cualquier pérdida o daño, la cuestión será sometida al dictamen de un perito nombrado por escrito por ambas partes. Si no se pusieren de acuerdo en el nombramiento de un solo perito, se someterá el caso a la resolución de dos, nombrados uno por cada parte, dentro de un mes a contar del día en que una de ellas haya sido requerida por escrito por la otra parte para hacerlo. Estos peritos antes de empezar sus labores, nombrarán un tercero para caso de discordia.

Si una de las partes se negare o dejare de nombrar su perito dentro del plazo antes indicado o si los dos peritos no se pusieren de acuerdo en el nombramiento del tercero para caso de discordia, la autoridad judicial, a petición de parte, designará el perito o el perito tercero o ambos, según el caso. El fallecimiento de cualquiera de las partes durante el peritaje no anulará ni afectará los poderes o atribuciones del perito, o según el caso, de los dos peritos o del perito tercero, respectivamente, y si uno de los dos peritos o el perito tercero falleciere antes del dictamen, será reemplazado por la parte o por los peritos, o por la autoridad judicial, según el caso.

Las costas o gastos que se originen con motivo del peritaje estarán a cargo de la Compañía y del asegurado por partes iguales.

El peritaje a que esta cláusula se refiere no implicará la aceptación de la reclamación por parte de la Compañía; simplemente determinará la pérdida ocasionada por el siniestro y no privará a la Compañía de las excepciones que pueda oponer contra las acciones del asegurado.

14.—DESAVENENCIA: En caso de desavenencia entre la Compañía y el asegurado, con relación a cualquier pérdida o accidente, después de que se hayan agotado los procedimientos establecidos en la cláusula que antecede, cualquiera de las partes podrá ocurrir ante la Secretaría de Hacienda y Crédito Público, solicitando sus buenos oficios para el arreglo de las dificultades surgidas. En caso de que no se llegue a ningún acuerdo, quedarán expeditos los derechos de los interesados para ocurrir ante los Tribunales que correspondan.

15.—JUICIO PARA EL COBRO DE RECLAMACIONES: Ningún juicio o demanda para el cobro de cualquier reclamación procedente de esta póliza, podrá intentarse a menos que: a) se funde o se refiera a la ejecución y cumplimiento del laudo dictado en los términos de la cláusula anterior; b) se inicie a más tardar dentro del término de 30 días después de la fecha en que se haya notificado dicho laudo; c) se intente ante los Tribunales de la Ciudad de México, a cuya jurisdicción se someten expresamente las partes.

16.—SUBROGACION: Como consecuencia del pago de cualquier indemnización, la Compañía se subrogará en los derechos del asegurado así como en las acciones que a éste competan contra los autores o responsables del siniestro por cualquier carácter o título que sea. Además, el asegurado subrogará a la Compañía en todos los derechos o acciones que la competan en virtud del siniestro, quedando obligado, si fuere necesario, a reiterar la subrogación por escritura separada, y ante Notario, aun después del pago de la indemnización.

17.—PRESCRIPCION: TODAS LAS ACCIONES QUE SE DERIVEN DE ESTE CONTRATO PRESCRIBIRAN EN DOS AÑOS, CONTADOS DESDE LA FECHA DEL ACONTECIMIENTO QUE LES DIO ORIGEN. EL PLAZO A QUE SE REFIERE ESTA CLAUSULA NO CORRERA EN CASO DE OMISION, FALSAS O INEXACTAS DECLARACIONES SOBRE EL SINIESTRO OCURRIDO, SINO DESDE EL DIA EN QUE LA COMPAÑIA HAYA TENIDO CONOCIMIENTO DE EL; Y SI SE TRATA DE LA REALIZACION DEL SINIESTRO, DESDE EL DIA EN QUE HAYA LLEGADO A CONOCIMIENTO DE LOS INTERESADOS, QUIENES DEBERAN DEMOSTRAR QUE HASTA ENTONCES IGNORABAN DICHA REALIZACION.

18.—LICENCIA PARA CONDUCIR: LA COMPAÑIA NO SERA RESPONSABLE POR NINGUN SINIESTRO QUE OCURRA CUANDO EL AUTOMOVIL ASEGURADO SEA MANEJADO POR PERSONA CARENTE DE LICENCIA PARA CONDUCIR, EXPEDIDA POR EL DEPARTAMENTO DE TRANSITO RESPECTIVO.

19.—OTROS SEGUROS: EL ASEGURADO TENDRA LA OBLIGACION DE PONER INMEDIATAMENTE EN CONOCIMIENTO DE LA COMPAÑIA, POR ESCRITO, LA EXISTENCIA DE TODO OTRO SEGURO QUE CONTRATE CON OTRA COMPAÑIA SOBRE EL MISMO RIESGO Y POR EL MISMO INTERES, INDICANDO EL NOMBRE DEL ASEGURADOR Y LA SUMA ASEGURADA.

AL NO CUMPLIR EL ASEGURADO CON ESTE REQUISITO, LA COMPAÑIA QUEDARA LIBERADA DE SUS OBLIGACIONES BAJO ESTA POLIZA.

20.—CAMBIO DE DUEÑO DEL AUTOMOVIL ASEGURADO: SI EL AUTOMOVIL ASEGURADO CAMBIA DE DUEÑO, LOS DERECHOS Y OBLIGACIONES QUE SE DERIVEN DE ESTE CONTRATO PASARAN AL ADQUIRENTE. EL PROPIETARIO ANTERIOR Y EL NUEVO ADQUIRENTE QUEDARAN SOLIDARIAMENTE OBLIGADOS A PAGAR LAS PRIMAS VENCIDAS Y PENDIENTES DE PAGO EN EL MOMENTO DE LA TRANSMISION DE LA PROPIEDAD. LA COMPAÑIA TENDRA EL DERECHO DE RESCINDIR EL CONTRATO DENTRO DE LOS 15 DIAS SIGUIENTES A LA FECHA EN QUE TENGA CONOCIMIENTO DEL CAMBIO DE DUEÑO DEL OBJETO ASEGURADO. SUS OBLIGACIONES TERMINARAN 15 DIAS DESPUES DE NOTIFICAR ESTA RESOLUCION POR ESCRITO AL NUEVO ADQUIRENTE, PERO REEMBOLSARA A ESTE, LA PARTE DE LA PRIMA QUE CORRESPONDA AL TIEMPO NO TRANSCURRIDO.

NO OBSTANTE LO DISPUESTO EN EL PARRAFO ANTERIOR, LOS DERECHOS Y OBLIGACIONES DE ESTE CONTRATO NO PASARAN AL NUEVO ADQUIRENTE.

I.—CUANDO EL CAMBIO DE PROPIETARIO TENGA POR EFECTO UNA AGRAVACION ESENCIAL DEL RIESGO EN LOS TERMINOS DE LA LEY SOBRE EL CONTRATO DE SEGUROS.

II.—SI DENTRO DE LOS 15 DIAS SIGUIENTES A LA ADQUISICION, EL NUEVO PROPIETARIO NOTIFICA POR ESCRITO A LA COMPAÑIA SU VOLUNTAD DE NO CONTINUAR CON EL SEGURO; Y

III.—SI DENTRO DE LOS 15 DIAS SIGUIENTES A LA ADQUISICION EL ASEGURADO NO NOTIFICA POR ESCRITO A LA COMPAÑIA EL CAMBIO DE DUEÑO DEL AUTOMOVIL ASEGURADO.

21.—CLAUSULA DEDUCIBLE: EN CONSIDERACION DE LA PRIMA ESPECIAL COBRADA PARA LA EXPEDICION DE LA PRESENTE POLIZA, QUE DA EXPRESAMENTE ENTENDIDO Y CONVENIDO QUE: EN TODOS Y CADA UNO DE LOS CASOS DE RECLAMACION BAJO LOS RIESGOS CUBIERTOS POR EL INCISO "A" DE LA ESPECIFICACION DE RIESGOS DE LA PRESENTE POLIZA, Y UNA VEZ AJUSTADA LA CANTIDAD QUE DEBERA PAGARSE, EL ASEGURADO PARTICIPARA CON LA SUMA DE \$----- SIENDO LA COMPAÑIA RESPONSABLE POR EL EXCEDENTE SOBRE DICHA CANTIDAD SOLAMENTE. CADA ACCIDENTE SERA CONSIDERADO COMO UNA RECLAMACION POR SEPARADO.
