Sr. D. Alfonso Reyes
El Colegio de Mexico
Napoles 5, Mexico D.F.

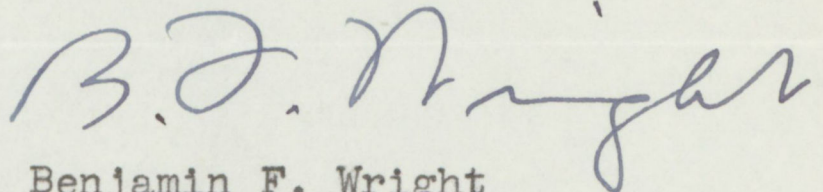

My dear Professor Reyes:

The Smith College Junior Group in Mexico, now entering upon the second part of this year's work at the Colegio de Mexico, will soon have completed one more of the series of Junior Years in which our students have profited so much by the instruction of your excellent Faculty.

I do not wish to let the year pass without expressing to you and to those professors of the Colegio de Mexico who teach our students the high opinion which Smith College has of their work, and our appreciation of the time and attention which they devote to our students.

Trusting that this excellent and very pleasant relation will continue to produce as it has during the past years,

Sincerely yours,

Benjamin F. Wright

SMITH COLLEGE
NORTHAMPTON MASSACHUSETTS
OFFICE OF THE PRESIDENT

January 18, 1952

Senor D. Alfonso Reyes
President of the Colegio de Mexico
Napoles 5
Mexico D.F.

Dear Senor Reyes:

At the last meeting of the Trustees of Smith College it was voted to return the Smith College Junior Year group to Spain, where it formerly was established, and therefore to discontinue the group now studying in Mexico.

*Vuelven a España
y abandonan
México.*

It was with deep regret that we decided to terminate our association with the Colegio de Mexico. We are and have been most appreciative of the generous cooperation and the excellent instruction which you and your colleagues have given Smith College during these years. Without your help, it would have been impossible for our students to have had so valid an intellectual experience.

To you and to all of the professors of the Colegio who have given of their time and interest to make the Smith College Junior Year in Mexico the success which it has been, I send our sincere thanks.

With deep appreciation of your great service to us, and with all good wishes for the future of the Colegio de Mexico, I remain,

Sincerely yours,

B. F. Wright

Señor Presidente y fino amigo:

Por su amable carta del 18 de enero quedo informado de que los Directores de ese Colegio a su digno cargo han decidido que el grupo anual del Smith College regrese, como antes, a España, y en consecuencia se interrumpe para en adelante el servicio que tuvimos el gusto de ofrecer a ustedes en México.

Siempre será para nosotros motivo de alegría y orgullo el haber podido en alguna forma cooperar con ustedes y deseamos que conserven ustedes de esta institución y sus profesores el mismo excelente recuerdo que aquí conservamos de su grupo de estudiantes y sus directoras.

Me es grato ofrecerme siempre a sus órdenes como su cordial amigo y s. s.

Alfonso Reyes
Presidente.
