Dear Dr. Reyes:

I am happy to tell you that the officers of The Rockefeller Foundation have allocated the sum of \$500, or as much thereof as may be necessary, to El Colegio de Mexico, for the purpose of bringing together the Rectors of three Mexican state universities with one representative each of El Colegio de Mexico and the National university, to clarify the problems faced by each of these provincial universities in establishing a permanent, full-time faculty in literature, history, and philosophy.

This sum is available for a period of three months, beginning January 1, 1958, at the end of which time any unexpended balance will revert to the Foundation. Arrangements for payment may be made by writing directly to our Comptroller. All communications with reference to this grant should quote the Reference Number, "GA H 5701."

Sincerely yours,

Director for Humanities

Dear don Alfonso:

This is to thank you for your kindness in telling Dr. Fahs and myself of the appointment of Lic. D. Daniel Cosío Villegas to the new position of Director of El Colegio de México. I look forward to talking with him in Austin during early November. The lengthening of your own title to President of the Junta del Gobierno of El Colegio de México will not, I hope, in any way lengthen the distance between us, as I look forward to having the pleasure of chatting with you once again - however briefly, when I visit México in late January or early February of next year.

With every respect and warm personal regards.
