SANTA ANITA, CALIF.,

March 26th., 1923. *per press*

Mr J.L. Schleimer,
Los Angeles, California.

Dear Sir:

I wish to advise you that the two Airedlaes purchased by yourself for the President of Mexico, are dogs of the very best blood obtainable—the father of the male is the International Champion, Warland Ditto, imported from England by Mrs Baldwin at the record price of \$3500.00, and his mother Cyprus Girl, who is one of the few dogs kept by Mrs Baldwin for her private kennel, is from equally prominent lineage, being a daughter of the imported dog Cyprus Cadet, purchased some years ago for \$1500.00, and Champion Afton Queen Oorang, that was sired by the World famous International Champion King Oorang, also purchased by Mrs Baldwin some years ago as a foundation for her kennels.

The father of the female, is also an imported dog, Whitebirk Tyrant, that cost \$1500.00, and has been a very prominent dog in improving the type in this country; her dam, Dora Lind of Anoakia being one of the valuable brood matrons of the kennel, and valued at about \$750.00.

The only reason for selling you these dogs is the fact that Mrs Anita Baldwin, has discontinued exhibiting her dogs for the present, and I am charging you only about what we figure it has cost us to feed and raise them, feeling that I will derive a good deal of advertising through the fact that I have sold these dogs to the President of Mexico. The value of this pair if sold through other sources would conservatively speaking, be about \$750.00 for the male and \$350.00 for the female.

I might also inform you that Mrs Baldwin was the importer and owner of International Champion Tintern Tip Top, the father of "Laddie Boy", President Harding's dog, of which so much has been said through the press.

Trusting this brace of dogs will arrive at their destination safely, and feeling sure they will prove their worth as companions and guards, I am,

Yours very truly,

Chris Shuttleworth
