

1
Los Angeles, Calif
May, 1941.

General Elias Calles:

Sir:

Would advise you, not
to listen to the foolish
talks of the Roosevelt
Administration, who
have deceived the
American People
from the beginning
towards the end.

These Jews and Anglo-
philes who are running
the United States
to make fortunes
from the War and
trying every thing to
bring the Country into
it, because they must

help the British to
win the War
has dominated Europe
since 300 years and
other Countries too.
Through Robbery and
loot gather the Empire
together never could
get enough to grab.
Tried many times
to get a foothold
into the Continent
she does not belong
there deserted every
Country, Russia in
the late War and
lately France and been
only thinking about
herself and nobody
else. Through starting
out the Nations
she won all her

Criminal Wars.
 Nobody will win
 they need not fool
 themselves. They
 do not want Peace
 only to keep up Slaughtering
 the Nations, is
 that common sense
 America will go into
 ruin if they start
 a War, there War
 mongers and War
 balancers.

Remember the grand
 old Gentleman Carey
 who kept Mexico
 out of War in the
 late War.

If President Camacho
 turns the wrong way
 keep him to the
 right Mexico had
 enough trouble in

their Revolution
Country's cannot
Remember what Wilson
did to Mexico that
old Phaul teacher and
Roosevelt is a Preacher
never kept his word
Where is their Honor?
Jews have no Honor.
Nothing but false
Propaganda, to
trick to the American
People with their
Lies, keep Mexico
out of War, you
and Cardenas who
have ruled Mexico
so well. Keep up
the Monroe Doctrine
and be neutral, as
in the late War.
Dan.
