

THE BILTMORE HOTEL
LOS ANGELES

From
Edward S. Bernard
MANAGER

Good morning, Mr. Calles!

When last you visited us here at the Biltmore, you filled out a Credit Identification "Signature" Card... and I want you to know that I appreciate it.

Your Signature card, in our Preferred Guests' file, helps us to provide a more personal service for you.

Your signature alone will be accepted for cashing checks, charging your room, your meals, purchases in our Importation Shop... or any of the other Biltmore Hotel departments.

I'm sure you will find your Biltmore credit privilege here a real convenience.

Sincerely,
Edward S. Bernard
