Dear Fumi,

Is it two years already since you left? - where does the time fly to? Seems as if it was just a short time ago that we drove you to the airport. Our time here is getting shorter now - not looking forward to leaving. Hard to believe that we have been here over 4 years now and it will be 5 years when we leave! We are due to leave in October and I expect the next months to be busy with shopping - as long as the money lasts! Seems as if there are a million things we want to do and buy and I just hope we have time to do part of them. We are planning on going by ship to San Francisco and then possibly driving from there to New York - depending on the children - will have to wait and see how things go. Will spend a while in New York with the families and then on to Virginia. Do you think you'll be getting to the east coast one of these days - it would be wonderful to have you visit us - why don't you and Chico start thinking about taking a vacation with us next year - wouldn't that be fun?

Glad you liked the picture of the children. Teri is a real Nihonjin now - she's really fluent (puts Tom and me to shame). Even Tim is speaking Japanese now and he and Teri ~~are~~ rarely speak English to one another. Michael of course just gurgles and goes - a fat, happy baby and a pleasure to have around.

Haven't done any traveling lately - had planned on going to Kyoto a few months ago (even had reservations etc) and then the maid quit. We were without a maid for almost four months and then Kiyoko-san came back - but with holidays etc haven't had time to think about Kyoto - maybe in the spring.

Eiko was out here a while ago with her little girl. We had a nice visit - her little girl is just darling and Teri and Tim enjoyed playing with her. I think I told you that she delivered the record and we have enjoyed it immensely - many, many thanks.

How is Chico - haven't heard from her in ages - hope

she's feeling well. Tell her that we expect a letter - soon!

Don't forget what I said about the east coast  
vacation - start planning now!

Keep well and we'll keep you posted.

Love,

*Luella and Tom*
