Latest reports says that the strike situation in Tampico is getting serious, some reports claims that the strikers are liable to destroy some American property, Matters have been taken with the state department also in direct communication with genl. Pease who promises that he will protect the american interests to the full extent of the law...

latest reports.
In a conference that gov. Cox gave out to the public says that in case he gets elected he will carry wilson policy towards Mexico, he does not believe in intervention claims that Mexico should handle their own affairs as long as foreign ~~properties~~ properties and lifes not molested.

latest reports.

President wilson seems to be worried over the new movements in Mexico, his greatest pleasure would be to see peace in Mexico undecided as to the recognition of de la Huerta watching developments.

It is also reported that Railroad tracks between Laredo and Monterrey so badly damaged that there be no traffic for at least two weeks.....

It is also reported through Veracruz correspondents that genl. Larraga who revolted in the state of San Luis Potosi has gone over to the state of Veracruz and that he has an army of 500 men.
