General O Bregon,
Mexico City, Mexico.

Dear General:

The writer was a former operator in Sonora, in the Cotton district. I am at present in the grain business here in Sask, and expect to remain here for a year at least. When I expect to return to Mexico again. Yesterday I filled out my bond, and as I have spent the last eight years in Mexico it gives me great pleasure to give my Mexican friends as references. Of course the answering of the bonding Companies questions do not obligate you financially at all.

I will never forget the extreme pleasure of our meeting in San Diego, and San Francisco, as well as the pleasure of your Company in Sonora on several occasions. I hope you will be able to recall me, and be able to answer the bonding Companies questions to their satisfaction.

I hope this finds you and yours in the best of health, and that your regime continues to gain faith with your people. The people of Mexico should back you to the limit, because I believe it to be the best government they have had in several decades.

Thanking you for past favors, and hoping to have the chance of favoring you at some future date I will close with best regards to you and your high office.

I remain

Very truly Yours
Geo. W. Colvin.
