Dear Dr. Reyes:

On checking our files I note that our grant in aid of \$2500 to the Colegio de Mexico for purchase of basic reference books and journals needed in your work on linguistics and literature expires on June 30. May I remind you that funds unexpended as of that date will revert to the Foundation. If there are balances in the account, therefore, which you have good reason to want to use after June 30, you should give us very promptly the formal request which we would need in order to have the term of the grant in aid extended.

Sincerely yours,

Charles B Fahs
