Dear Mr. Alvaro Obregon,

I would like to have
you tell me what to do
about the rubber planta-
tion from Vera Cruz Mexico
I paid in \$100.00 and I can
get nothing out of it. Now
I am a real poor woman
all alone in this world
and put all my saving
in it if you will be
kind enough to help me
out in this manner I'll
gladly repay you for the
help. Now please ans-
wer to this matter
I am yours truly

Mrs. Margert Hoffmann
