TO HIS EXCELLENCY, ALVARO OBREGON,
PRESIDENT OF THE REPUBLIC OF MEXICO,
UPON THE OCCASION OF HIS INAUGURATION:

Force of circumstances having unfortunately made it impossible for us to attend in person or to send personal representatives to attend Your Excellency's inauguration as President of the Republic of Mexico and the ceremonies incident thereto, we, the undersigned organizations and individual citizens of the City of El Paso, Texas, nevertheless cannot permit this happy and momentous occasion to pass without taking this poor means of conveying and expressing to Your Excellency our hearty and sincere greetings and felicitations upon Your Excellency's becoming the head of our great sister Republic, and the leader, in name as well as in fact, of its people.

We also take this means, inadequate as it is, to assure Your Excellency of our warm personal friendship, good will and respect for Your Excellency, Your Excellency's Government and the Citizenship of the Republic of Mexico. It is our hope, and we feel confident, that under Your Excellency's wise, efficient and beneficent administration the bonds of friendship and commercial intercourse now so happily resumed between the people of Mexico and of our own country will be further built up and perpetuated for all time. We trust and believe that the time is not far distant when a rehabilitated Mexico will not only have won the respect and confidence of the world but will also have taken her rightful place among the leading nations of the earth.

Muy señores nuestros y amigos:-

Al regresar del viaje que hicimos a través de la República Mexicana, un deber de gratitud nos impulsa a manifestar a Uds. nuestro profundo agradecimiento por las mil atenciones que tuvieron a bien prodigarnos durante nuestra permanencia en ésa Ciudad.

La benevolencia de Uds. y la cordial cortesía con que tuvieron a bien recibirnos, dejó en nosotros un recuerdo imborrable e hizo nacer una sincera amistad que tenemos esperanza se hará extensiva a nuestros dos pueblos.

Ha sido nuestro constante afán desde nuestro regreso, propagar por todos los medios posibles la verdad acerca de la actual situación de México a fin de lograr que las mejores relaciones se restablezcan entre los pueblos de los Estados Unidos y la República Mexicana, y al enviar a Uds. un cariñoso saludo reiterándoles nuestros agradecimientos por todas sus atenciones, nos es grato repetirnos sus afmos. amigos y attos.
