Mr. Baron Long
The Biltmore Hotel
Los Angeles, Calif.

Dear Mr. Long:

Before proceeding to Mexico city, my final destination, I wish to express to you my deepest appreciation for the thoughtfulness you always showed towards me during my long stay in your country. My permanence in your hotel, The U. S. Grant, was indeed made very pleasant through the kindness and courteousness which characterize you.

I expect to spend a few more days in "Soledad de la Mota" -an orange ranch belonging to one of my sons- which offers plenty of rest and tranquility.

My future address will be:

5a. Calle Guadalajara 104,
Mexico, D. F., Mexico,

where you will always find a friend desir~~ous~~ous to be of some service to you should the occasion arise.

Very gratefully yours,

P. Elias Calles
