Dear Dr. Cosío,

As you know, Professor De Conde's textbook mentions your Montgomery lecture at the University of Nebraska in 1960 as the best material on the Magdalena Bay Incident. I wrote to James Olson, for whom I was a graduate assistant 20 years ago, to see if I could obtain a copy. Unfortunately, he could not locate one but suggested that I write directly to you to see if you have a copy.

I would appreciate very much receiving a copy if you have one available.

Sincerely,

John A. Caylor

Distinguido señor Caylor:

Recibí su carta de febrero 21, relacionada con mi conferencia en la Universidad de Nebraska acerca de las revoluciones mexicana y cubana.

Me desconcierta un poco su comentario de que ella representa "the best material on the Magdalena Bay Incident", pues no se refiere en absoluto a esta Bahía ni a ninguna otra.

De todos modos, con todo gusto le envío por correo aparte un ejemplar de esa conferencia.

Suyo,
