OFFICE OF THE SECRETARY

April 7, 1948

Dear Dr. Reyes:

I have the honor to inform you that at a meeting of the Board of Trustees of The Rockefeller Foundation held April 6-7, 1948, action was taken providing up to \$53,000 to the Colegio de Mexico toward its programs for advanced study and for training of personnel. The fund is in addition to the Foundation's current grant to the Colegio (RF 44134) and is available until June 30, 1952, with the understanding that payments under both grants will not exceed \$17,000 in any one year.

It is our understanding that of the fund thus provided approximately \$24,200 will be used for individual research aid grants, each of these grants being matched by an equal sum provided by the Colegio; and that approximately \$28,800 will be allocated for fellowships.

If it meets with your convenience, payments under this appropriation will be made on a semi-annual basis after receipt at the beginning of each year of a copy of the annual budgets for the programs toward which this contribution is made. We shall appreciate receiving also annual statements of receipts and expenditures. Any balance unexpended as of June 30, 1952, will revert to the Foundation.

Very truly yours,

Dear Mr. Secretary:

Your kind letter of April 7th informs me of the action taken by the Board of Trustees providing up to \$ 53,000 to El Colegio de México towards its programs for advanced study and for training of personnel. I suppose that this fund is in addition not only to the Foundation's current grant (RF-44134), as you say, but also in addition to the grant for research and training at the Historical Research Center, grant which expires December 31st, 1949. I understand that the new grant in aid starts July 1st, 1948, and if so, we shall be glad to send you by then a copy of the semi-annual budgets for the programs towards which your contribution is made. We shall do the same in January next for the entire year of 1939, and so on.

The way you propose to make payments to El Colegio is quite satisfactory.

I would be very much obliged if you are kind enough to transmit to your Board the deep appreciation of El Colegio and the assurance that with your help we can look forward to the most fruitfull years of our institution.

Yours faithfully

Alfonso Reyes.

Dear Sir:

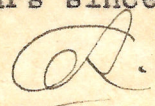

According to your Secretary's letter of April 7, 1948, advising us as to the action taken by the Board of Trustees of the Foundation to provide up to \$53,000 to El Colegio de Mexico for advanced study and for training of personnel, we are supposed to present a copy of the annual budgets for the program towards which this contribution is made.

As the grant in aid begins July 1st., 1948, and our work and budgets are made out for calendar years, we would like to submit this time a budget running from July 1st. to December 31, 1948, as follows:

For individual research grants	\$ 5,599
For fellowships	<u>3,826</u>
TOTAL:	\$ 9,425

If, as we hope, you find this budget within the terms of the Foundation's grant-in-aid, we would appreciate to receive this advanced semi-annual payment at your early convenience.
