

312 E. Ann St. ①

Ann Arbor.

Michigan

Sept 23-1920.

General Obregon,

City of Mexico.

Mexico.

My dear General Obregon:-

I want to
congratulate you upon

your election to the

Presidency of Mexico.

You have done more,

between the two Republics
will be knit more
firmly, and the relation-
ship in every respect
will be most cordial
and warm and brotherly
in heart and spirit.

There is so much in
common between the
two countries, only
we need to know
one another more
intimately in order

it seems to me, to
bring peace to strife-
torn Mexico than any
other one man! And
I believe that under
your direction, Mexico,
and these are few fairer
countries - will forge
ahead in every direction
to increased prosperity
and influence.

And I feel sure
too, that the friendship

to appreciate the good
qualities of each more
fully, do you not think?

With very cordial
greetings and wishes
for a reign of good-
will, of peace & of
prosperity during your
term as President,

I am, with kindest regards,

Very cordially yours,

Edward D. Turner.
