Señor Plutarco Elias Calles Mexico, D.F.
Muy Señor Mio.

Now the Yaquis are at peace, awaiting your
magic touch to bring wise education -

Doctor A.T. Baez & C.E. Moore have a wise system of
Medico-cadet training in Monterrey, N.L.
which I am glad you are putting in every yaqui
pueblo, and in city for army.

It eliminates expense & "high killing" diseases etc
for betterment of Yaquis & Nation.

I first suggested this to S.I.A.s in U.S.A. the Gov't.
is delighted.

Your idea of Trade-schools, Agriculture, Fruit &
nursing, Cooking, Political Economy, elimination
of athletics, disease, fast living, Crime & idleness,
we sure winners ^{minus} alcohol, nicotine,
narcotics etc. many trees shade fruit-nuts etc.

Juan Frias, Secy to Jefe Plutarco Blanco, Urean,
when educated in Political Economy & Bible & Medico-
Cadet will make a Grade "A" plus citizen.

Your plan of eliminating Jesuits runs
papists' schools, graft lies and ass-
assinations & ownership of property is
for the best development of yaquis
and of the entire Republic of Mexico.
Jesuits ruined Mexico for centuries by
setting Yaquis vs Series and against all
the Republic. so the Jews are
pitting Jews & Moslems vs Christians
for destruction of the World in hatred vs Christ.

Thanking you Sincerely
Thomas Hall.
