Dear Don Alfonso:

May I acknowledge your letter of January 5 with regard to the further needs for the work of Daniel Cosío Villegas and his seminar on the modern history of Mexico. Your statement is quite clear, and I shall hope to bring the matter up for decision here in February, as was discussed with Cosío when I saw him in Mexico.

I think that in this case we shall have to present the proposal to our trustees as final support for this project. I believe that this is also in accordance with earlier discussions. I should add, however, what I am sure you understand, that this does not mean any denial of continued interest in the work of El Colegio de Mexico or the study of contemporary Mexican history by Cosío or others.

With all good wishes to you and Mrs. Reyes,

Sincerely yours,

*Burton J. Tolson*

Dear Dr. Reyes:

Thank you for your letter of January 3, 1957 enclosing a statement of receipts and expenditures for the year ending June 30, 1956, in connection with the above noted appropriation. It is noted that of the \$8,440 made available to the College for that year, \$6,944.70 has been expended, leaving a balance of \$1,495.30 on June 30, 1956.

On the basis of the budget which you submitted for the final six-month period beginning January 1, 1957, we are enclosing a draft in the amount of \$724.70, representing our payment in full of \$2,220.00 budgeted, less the unexpended balance of \$1,495.30. After this payment the account stands as follows:

Appropriation		\$13,880.00
Payments:		
June 30, 1955	\$4,220.00 ✓	
January 9, 1956	4,220.00 ✓	
July 9, 1956	3,220.00	
Herewith	<u>724.70</u>	<u>12,384.70</u>
Balance available to June 30, 1957		<u>\$ 1,495.30</u>

Should you require all or part of this balance for expenditures during the remaining period of the grant, we would be glad to make the necessary payment to the College upon receipt from you of a revised budget. The proper procedure would be to add the required amount to the budget of \$2,220.00 and to allocate it to appropriate categories of estimated expenditures, such as stipend for Dr. Villegas, materials, etc. As you know, this grant will terminate on June 30, 1957, and any funds unexpended on that date will revert to the Foundation.

Very truly yours,

Dear Mr. Gillette:

Thank you for your letter of January 24 (enclosing a draft for \$ 724.70), in which you say that should we require all or part of the Balance of \$ 1,495.30 during the remaining period fo the grant, you would be glad to make the necessary payment upor receipt from us of a revised budget.

I am afraid that due to the faulty presentation of the budget submitted in my letter of December 17, a misunderstanding has arisen, and if so, I would like to clarify it. As you may remember, the total amount of the grant was \$ 13,880, to be spent as follows:

Mr. Cosío Villegas' stipend	\$ 10,000
For research and editorial work	2,880
For materials	1,000
Total	<u>\$ 13,880</u>

Except the item for materials, the other two were, we may say, fixed payments, and consequently were to be divided in four semesters of equal amont each, that is to say, \$ 3,220 for each semester.

That was the reason why the first budget for July 1st. to December 31, 1955, amounted to \$ 4,220: \$ 3,220 to cover the two items of Mr. Cosío Villegas' stipend and research and editorial work, plus \$ 1,000 for materials. Having received in one payment the whole of item "materials", we should have presented for each of the following three budgets the same amount of \$ 3,220.

In presenting the budget for the second semester (January

Ist.-June 30, 1956), we made the mistake, however, of applying for the sum of \$ 4,220, 3,220 for Mr. Cosío Villegas' stipend, research and editorial work, and once more \$ 1,000 for materials. The next budget for the second semester of 1956, was correct: \$ 3,220 for Mr. Cosío Villegas' stipend, research and editorial work. Since we had received \$ 2,000 for materials and we had no right to use more than \$ 1,000, our budget for the fourth and final semester should have been presented as follows:

Mr. Cosío Villegas' stipend	\$ 2,500
For Research	360
For editorial work	360
	-----
Total	\$ 3,220
Amount already received	1,000
	-----
Payment to be made	\$ 2,200.

I hope that you may take this as a revised budget you speak of in your letter of January 27, and make, then, a supplementary payment of \$ 1,495.30. If you do so, as I beg of you, the only item to be accounted for would be the one for materials. Out of a total of \$ 1,000 already received, we have made payments amounting to \$ 504.70, although we have already ordered some microcopies which will nearly exhaust the balance before June 30.

Hoping that this long letter may clarify the whole situation, I am,

Sincerely yours.
