Dear Colleague:

We were sorry that you were unable to join our reunion for the 25th Anniversary of the Bretton Woods Financial and Monetary Conference here in Washington on July 25.

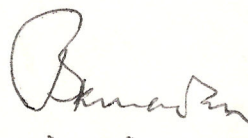

It was an occasion for reminiscences as well as for renewing former acquaintances and you may be sure that those who were unable to be present were not forgotten.

The enclosed souvenir program and messages of good wishes were provided for each of the guests, and we hope that you, too, will find them interesting.

With best wishes.
