Dear General Calles,

This note is to introduce
the Honorable Harold Nicolson
who is writing the life of my
husband. He is very happy
to have the opportunity of
talking with you and we both

appreciate your giving
time for an interview.
As you know through Mr.
Douglas we have tried to
get Mr. Smith as interpreter
and still trust that he may
be able to reach Sinaloa
by Tuesday.

Mr. Nicolson will tell you
what a great regret it is to
me not to see you personally.
I should have made the
trip if it had not been for
my family here.

It is an immense happiness
to be in Mexico again - the
country that my husband
loved so much. My cordial
welcome here has touched me
deeply.

I rejoice that you are
recovering from your operation

and trust that you will
soon be completely well.

With many thoughts for
you and every good wish,
Believe me

Faithfully Yours,

Elizabeth C. Snow. ✓
