2269 Front Street
San Diego, California

Dear Madam:

For reasons entirely beyond my control, I had not acknowledged receipt more opportunely of your very kind and Thoughtful gift: "The Flight of the Least Petrel" by Bancroft, which reached me so long ago. But I now do so with my deepest appreciation and with some knowledge of its contents.

With my best wishes for you and yours,

I am

Very cordially yours,

P. Elias Calles
