General A. Obregon.  
President elect  
Mexico-

Your Excellency - General Obregon.

When very recently  
from a trip around the world  
I learn with great pleasure  
that you have been chosen  
President of dear old Mexico. Please  
accept my heartiest congratulations.  
I also congratulate my Mexican  
friends on their choice. It  
is all so splendid it will be  
wonderful thing for Mexico.

I always seemed to look  
forward to your leading  
Mexico to peace and  
success - with all the  
happiness that would mean.

Again heartily congratulating  
you - and with my most  
sincere good wishes

I am as ever your  
Stirling J. Joyner.
