My distinguished friend:

I am writing to ask an additional favor of you. In a recent number of Ruta I notice one of your own contributions, which I read with much pleasure. From time to time I have exchanged a certain amount of correspondence with the director of this review, Sr. José Mancisidor. I am sure you will not take it amiss if I ask you to tell me candidly if in your judgement Sr. Mancisidor should be included in the new edition of my who's Who in Latin America.

With all good wishes and kindest personal regards, I remain, my dear Sr. Reyes,

Sincerely and cordially yours,

Percy Alvin Martin
