H. Dana Hoyt, Principal

Dear Sir:

I am very much interested in going to college in Mexico. I would appreciate it very much if you would send me some information on the "College of Mexico". What is necessary to enter this college?

I am a Junior in high school and have one more year. I have made mostly A's and B's on my report card but I don't know if I've taken the right subjects to enter your college. All information you could send me would be greatly appreciated.

Sincerely yours,
Ellen Higdon

Dear Miss Higdon:

The Colegio de México is not really a school, but a center of high research. May be you will be willing to apply rather to the Mexico City College (Chiapas 138, México, D. F.)

Sincerely yours,

Alfonso Reyes.
