Dear Mr. Calles:

I have been meaning to write you for some time concerning the possibilities of your doing some lecturing under the auspices of our bureau. But only recently was able to secure your address.

Beginning next month, we are opening a California office, and if you should feel that you could not do any extensive lecturing, perhaps it would be possible to confine your lectures only to the Coast territory. In any case, I would like very much to have our California representative, Mrs. A. D. McNeil, call upon you in San Diego to discuss the possibilities with you.

I am sure that if you are desirous of doing any extended lecturing, we could secure a very profitable tour for you, and would consider it a privilege and pleasure to represent you.

I am enclosing one of our announcements in which you will find listed the names of speakers whom we are booking during the 1937-38 season, which begins next October, and which time I would like to arrange some dates for you.

Would you let me know concerning this.

Sincerely yours,

W. Colston Leigh

Muy estimado señor:

Con todo gusto contesto su grata carta de fecha 11 del corriente mes, en la que se sirve ofrecerme los servicios de su importante organización, "The Leigh Bureau of Lectures and Entertainments", para organizar un ciclo de conferencias a través de este país, o cuando menos, por todo el territorio de la costa del Pacifico.

En debida contestación, manifiesto a Ud., que agradezco en todo lo que vale la valiosa cooperación que tan espontaneamente me ofrece, pero que no me es posible aceptarla por ahora, en virtud de que estoy para iniciar un viaje fuera de los Estados Unidos, a donde regresaré hasta pasados algunos meses.

De todas maneras, me es grato hacerle patente mi agradecimiento y aprovecho la oportunidad para ofrecerme de Ud. atto. y S. S.

P. Elías Calles.
