Dear General:

I received the telegram from Roberto Pesqueira that Adriana arrived there well and I will forward it to Micha when she returns from the country where she is spending the week-end. Adriana has been looking forward all summer to visiting you and she gave me no rest until she was on her way to see her Grandfather. It will be a great thrill for her to be with you and it will give her the opportunity to become acquainted with her Mexican relatives and the country of Mexico.

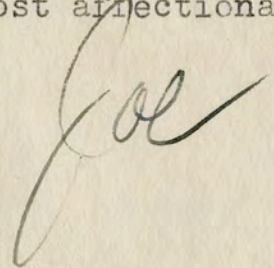

Adriana has heard so many wonderful things about you and your career, including Sam Rayburn's statement about your being the most outstanding Latin American Statesman, that she wants her scrap book filled with photographs of you, as well as some of both of you together. I hope she will be able to get some and also some of her aunts, uncles and cousins.

Micha is very well and is hard at work preparing for a concert which she plans to give here in the Autumn. She, however, will try to take time off to visit you in September.

With best wishes to you and my friends there and with great appreciation for taking such good care of Adriana in Mexico, I am,

Most affectionately yours,

JJE/sm
