

El Colegio de Mexico,
Mexico City, Mexico.

Att: The Registrar.

Dear Sir:

I am interested in the courses offered at your university and accordingly would appreciate your forwarding me your ~~latest~~ catalog. I have my A.B. and my LL.B. from colleges in the United States and am particularly interested in what you may offer in subjects dealing with Foreign Trade and Business Administration (and/or related subjects).

As I am a veteran of World War II, I would enter your school under the G.I. Bill of Rights. I would also require information as to the availability and cost of living quarters for my wife and myself. Would appreciate your forwarding this and all other pertinent information at your earliest convenience.

Yours very truly

Dear Sir,

Answering your kind letter, I must state that El Colegio de México is not a University nor a College in the current sense; but a private institution for high research in Fine Arts, Letters, Philology, Philosophy and History.

I rather think you must apply directly to the:

Rector de la Universidad Nacional de México,
Justo Sierra 16,
México, D. F.

Yours very truly,

Alfonso Reyes
President.
