General Plutarco Elias Calles,
Honolulu,
H.I.

My Dear Sir:

The Mexican Consul, Mr. E. Ferriera, informs me that you wish to have a duplicate set of appliances sent you to Honolulu.

I am sorry to inform you that it is impossible to do this in a proper manner without seeing you personally. If you can give me from three to four days of your time upon your return to the States, I will save time for you in order to make the duplicates.

Please advise me if you wish this done so that your case may be ready to try in, and approximately when you will be in San Diego.

With my best personal regards to yourself, Mr. Torreblanca and family, I remain,

Most sincerely,

HPE-JB

H. P. Emeis
