My dear Sir:

I have before me your esteemed letter dated the 21st ultimo, and regret very mucho my inability to see you before I left the City. However, I expect to be back in Mexico City during the first days of August, and it shall afford me untold pleasure to see you and greet you.

Sincerely yours,

Tengo a la vista su atenta fechada el 21 último y siento mucho no haber podido saludar a usted antes de mi salida de la Ciudad. Espero, sin embargo, estar de regreso en los primeros días de Agosto y entonces tendré gusto en saludarlo.
