Dear Mr. Villegas:

Soon after Christmas I went to Great Britain, so you have had to wait a long time for an answer to your letter of December 26. In the interval, however, I have seen and talked to Mrs. Grierson of the Sophia Smith Collection, and as she was just about to go to Mexico you yourself have probably seen her by now. You will know then that Miss Ulloa visited Smith and went over the index of the Elizabeth Cutter Morrow material, so that she will be able to describe the material as well as list it. Mrs. Grierson and Miss Ulloa have had correspondence about this, and I am sure you already know the problem is happily solved.

Sincerely yours

Constance Morgan
