Dear Dr. Cosío Villegas:

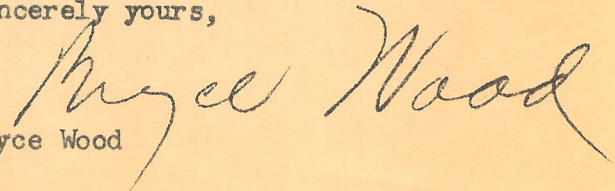

I am pleased to inform you that the paper which you wrote for the conference on social science in Latin America held in Rio de Janeiro in March 1965, under sponsorship of the Joint Committee on Latin American Studies, with cooperation of the Centro Latino Americano de Pesquisas em Ciências Sociais, will be published next month in a volume entitled SOCIAL SCIENCE IN LATIN AMERICA (N.Y., Columbia University Press, 1967) edited by Manuel Diégues Júnior and the undersigned.

We enclose two copies of a reprint of your chapter; about fifty additional copies are being sent to you by surface mail, registered, under separate cover.

The Columbia University Press is mailing three copies of the book directly to you at the above address. We understand that the edition of the papers in their original languages will shortly be published as "As Ciências Sociais na América Latina," (São Paulo, Difusão Européia do Livro, 1967, editado pelo Centro Latino-Americano de Pesquisas em Ciências Sociais).

On behalf of the Joint Committee on Latin American Studies and of the editors, I wish to express our deep appreciation of your participation in the conference and your contribution to this volume, which we think will be of interest to social scientists in all parts of the world. For my own part, I am happy to say that it has been a pleasure to cooperate with you in this interesting venture.

Sincerely yours,

  
Bryce Wood

Dear Professor Wood:

Thanks indeed for your note of August 22nd. advising me as to the volume Social Science in Latin America coming out soon under the auspices of Columbia University Press. May I also acknowledge the two copies of a reprint of my chapter.

I read them, and unfortunately I found that not all of the corrections to the English translation you sent me two years ago were taken care of, particularly the one I referred to in the second paragraph of my letter of August 21, 1965. I hope that Professor Naylor will not find necessary to make an official or public statement.

With best wishes,

Sincerely yours

Daniel Cosío Villegas
